HEROES

*« J'espère qu'on ne perdra jamais de vue
le fait que tout commença par une souris »*

Walt Disney

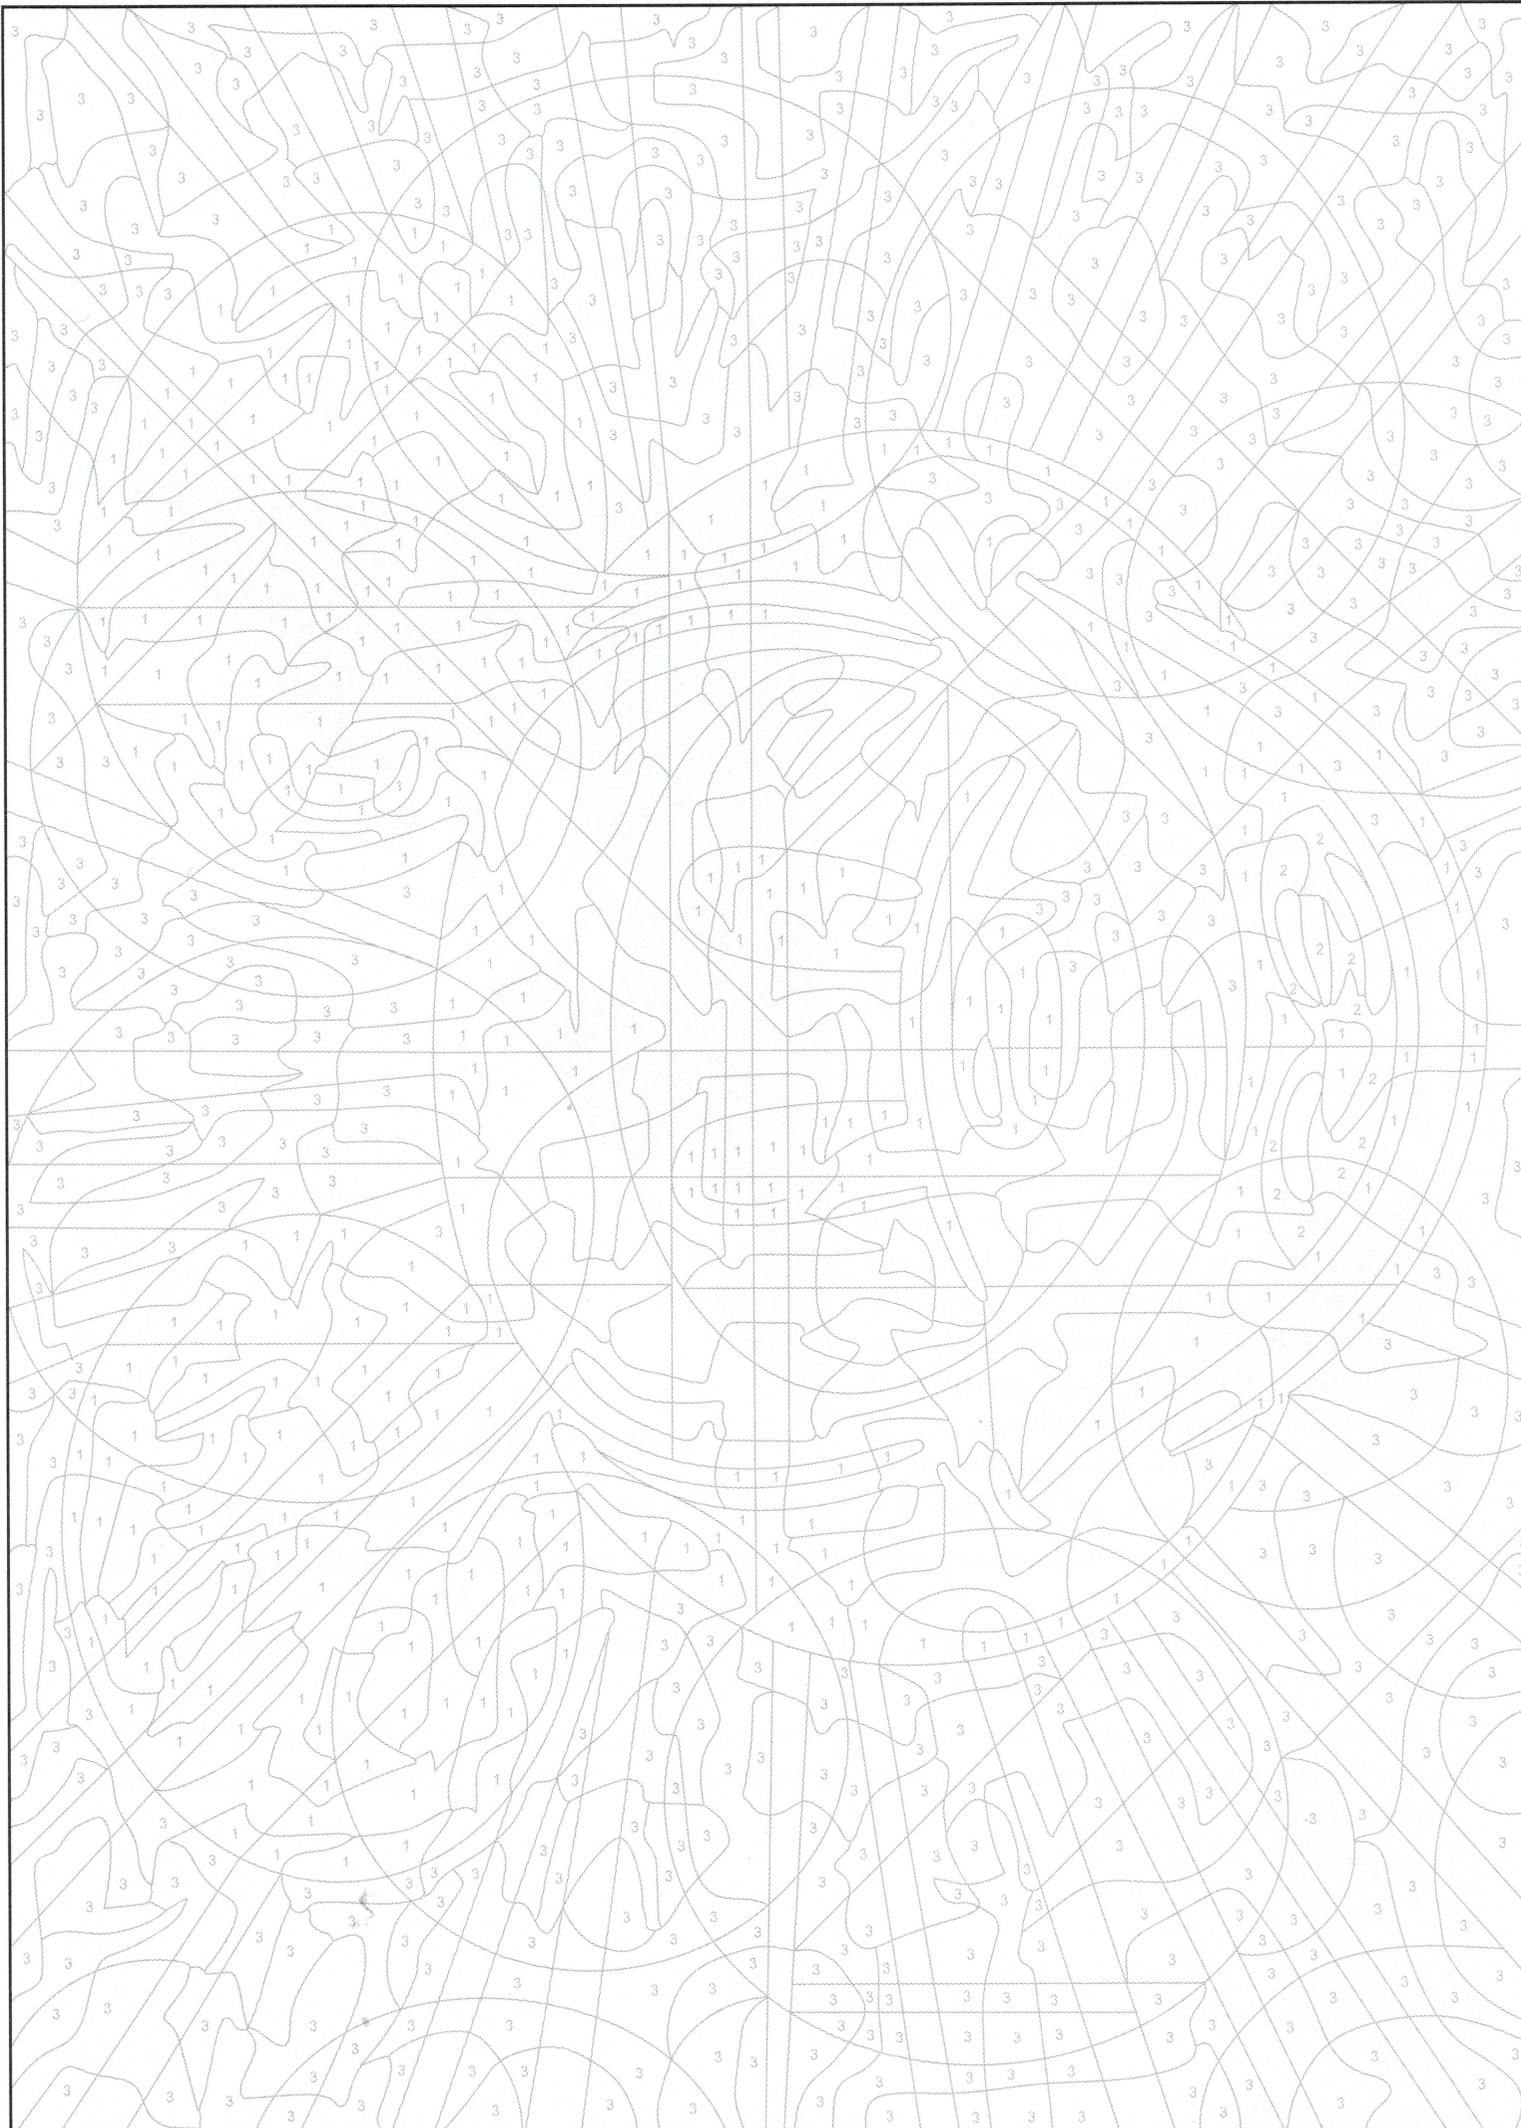

La célèbre souris anthropomorphique a vu le jour le 18 novembre 1928 sous le nom de Mortimer Mouse, à l'occasion de la première « présentation publique » du dessin animé *Steamboat Willie*. Pour la petite histoire, c'est la femme de Walt Disney qui, trouvant ce nom peu vendeur, propose par la suite Mickey. Très rapidement, le succès est au rendez-vous et on propose au jeune Disney d'adapter en BD les péripéties de sa petite souris. C'est en 1930 que débute la publication dans la presse américaine des premiers strips des Aventures de Mickey. Rapidement des personnages secondaires apparaissent dans les courts-métrages : Pat Hibulaire, Dingo...

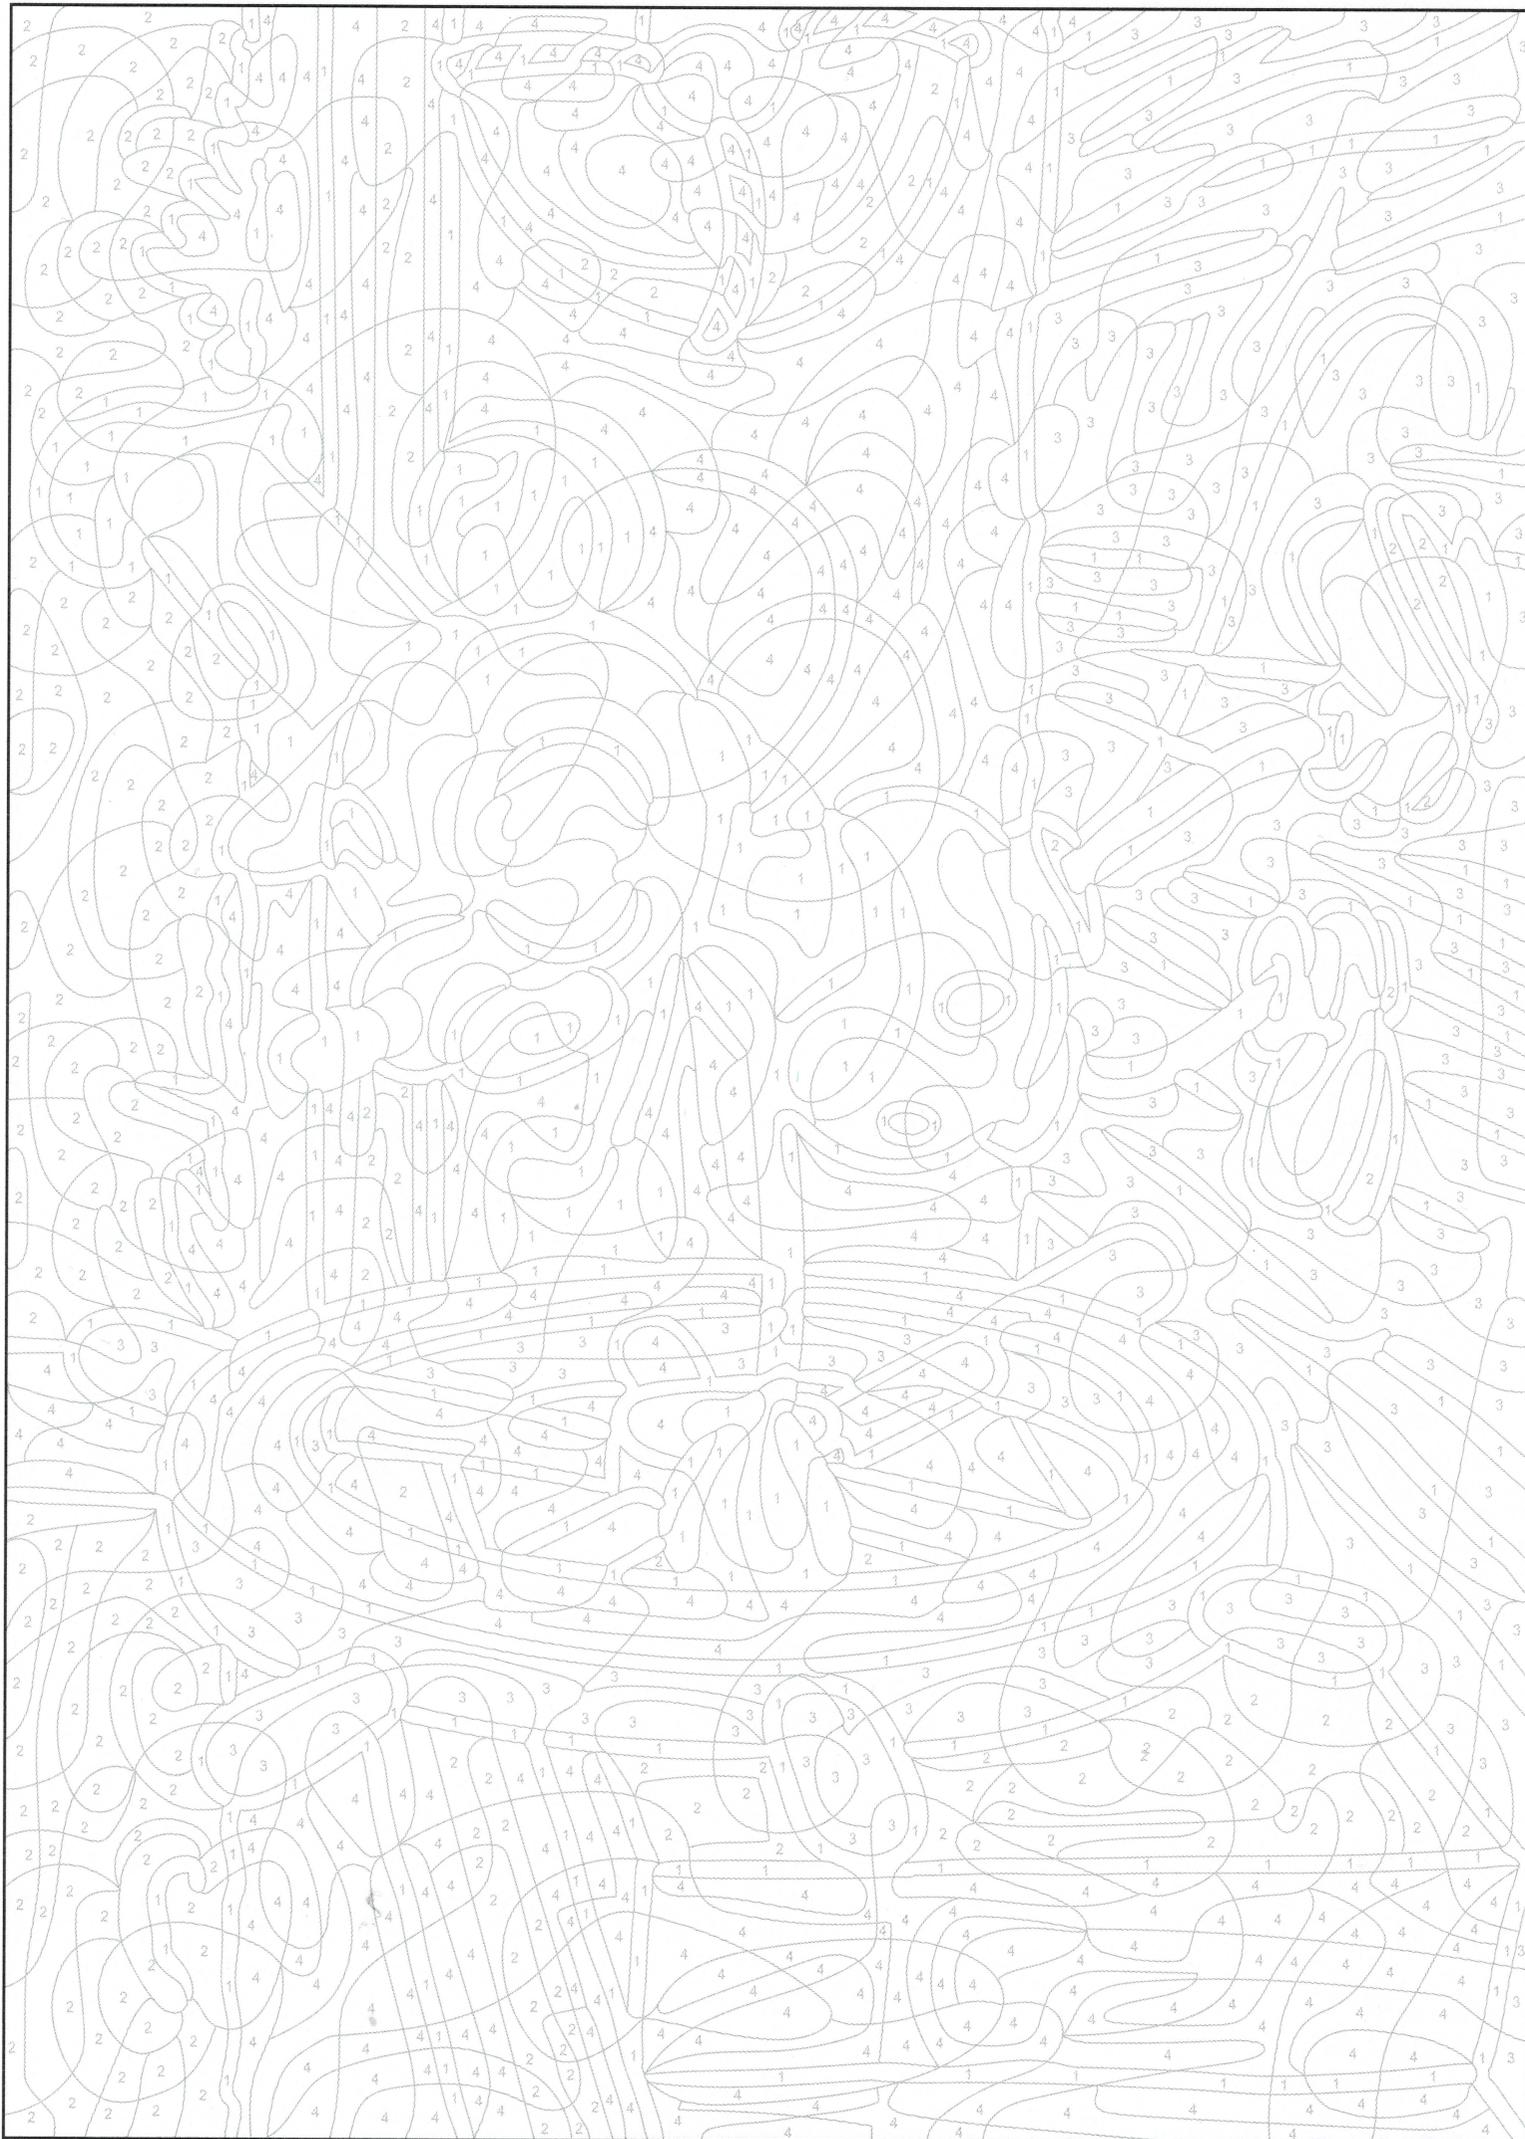

Donald Duck apparaît quant à lui en 1934, de prime abord comme faire-valoir à Mickey. Mais là aussi, l'engouement est tel qu'en 1937, il devient le héros unique de ses aventures cinématographiques, entraînant dans son sillon la création de ses non moins célèbres neveux Riri, Fifi et Loulou, mais également du cousin Gus, de Picsou, de Geo Trouvetou, de la sorcière Miss Tick ou bien encore des Rapetou.

Il est temps à présent de retrouver votre âme d'enfant et de redécouvrir toutes les plus belles scènes mettant à l'honneur l'univers de ces héros incontournables. Pour l'instant le mystère demeure... Sur cette page, serait-ce Donald ou Picsou? Et ici, Zaza ou Daisy ? Ou là encore, devine-t-on Mickey ou Pat Hibulaire ?

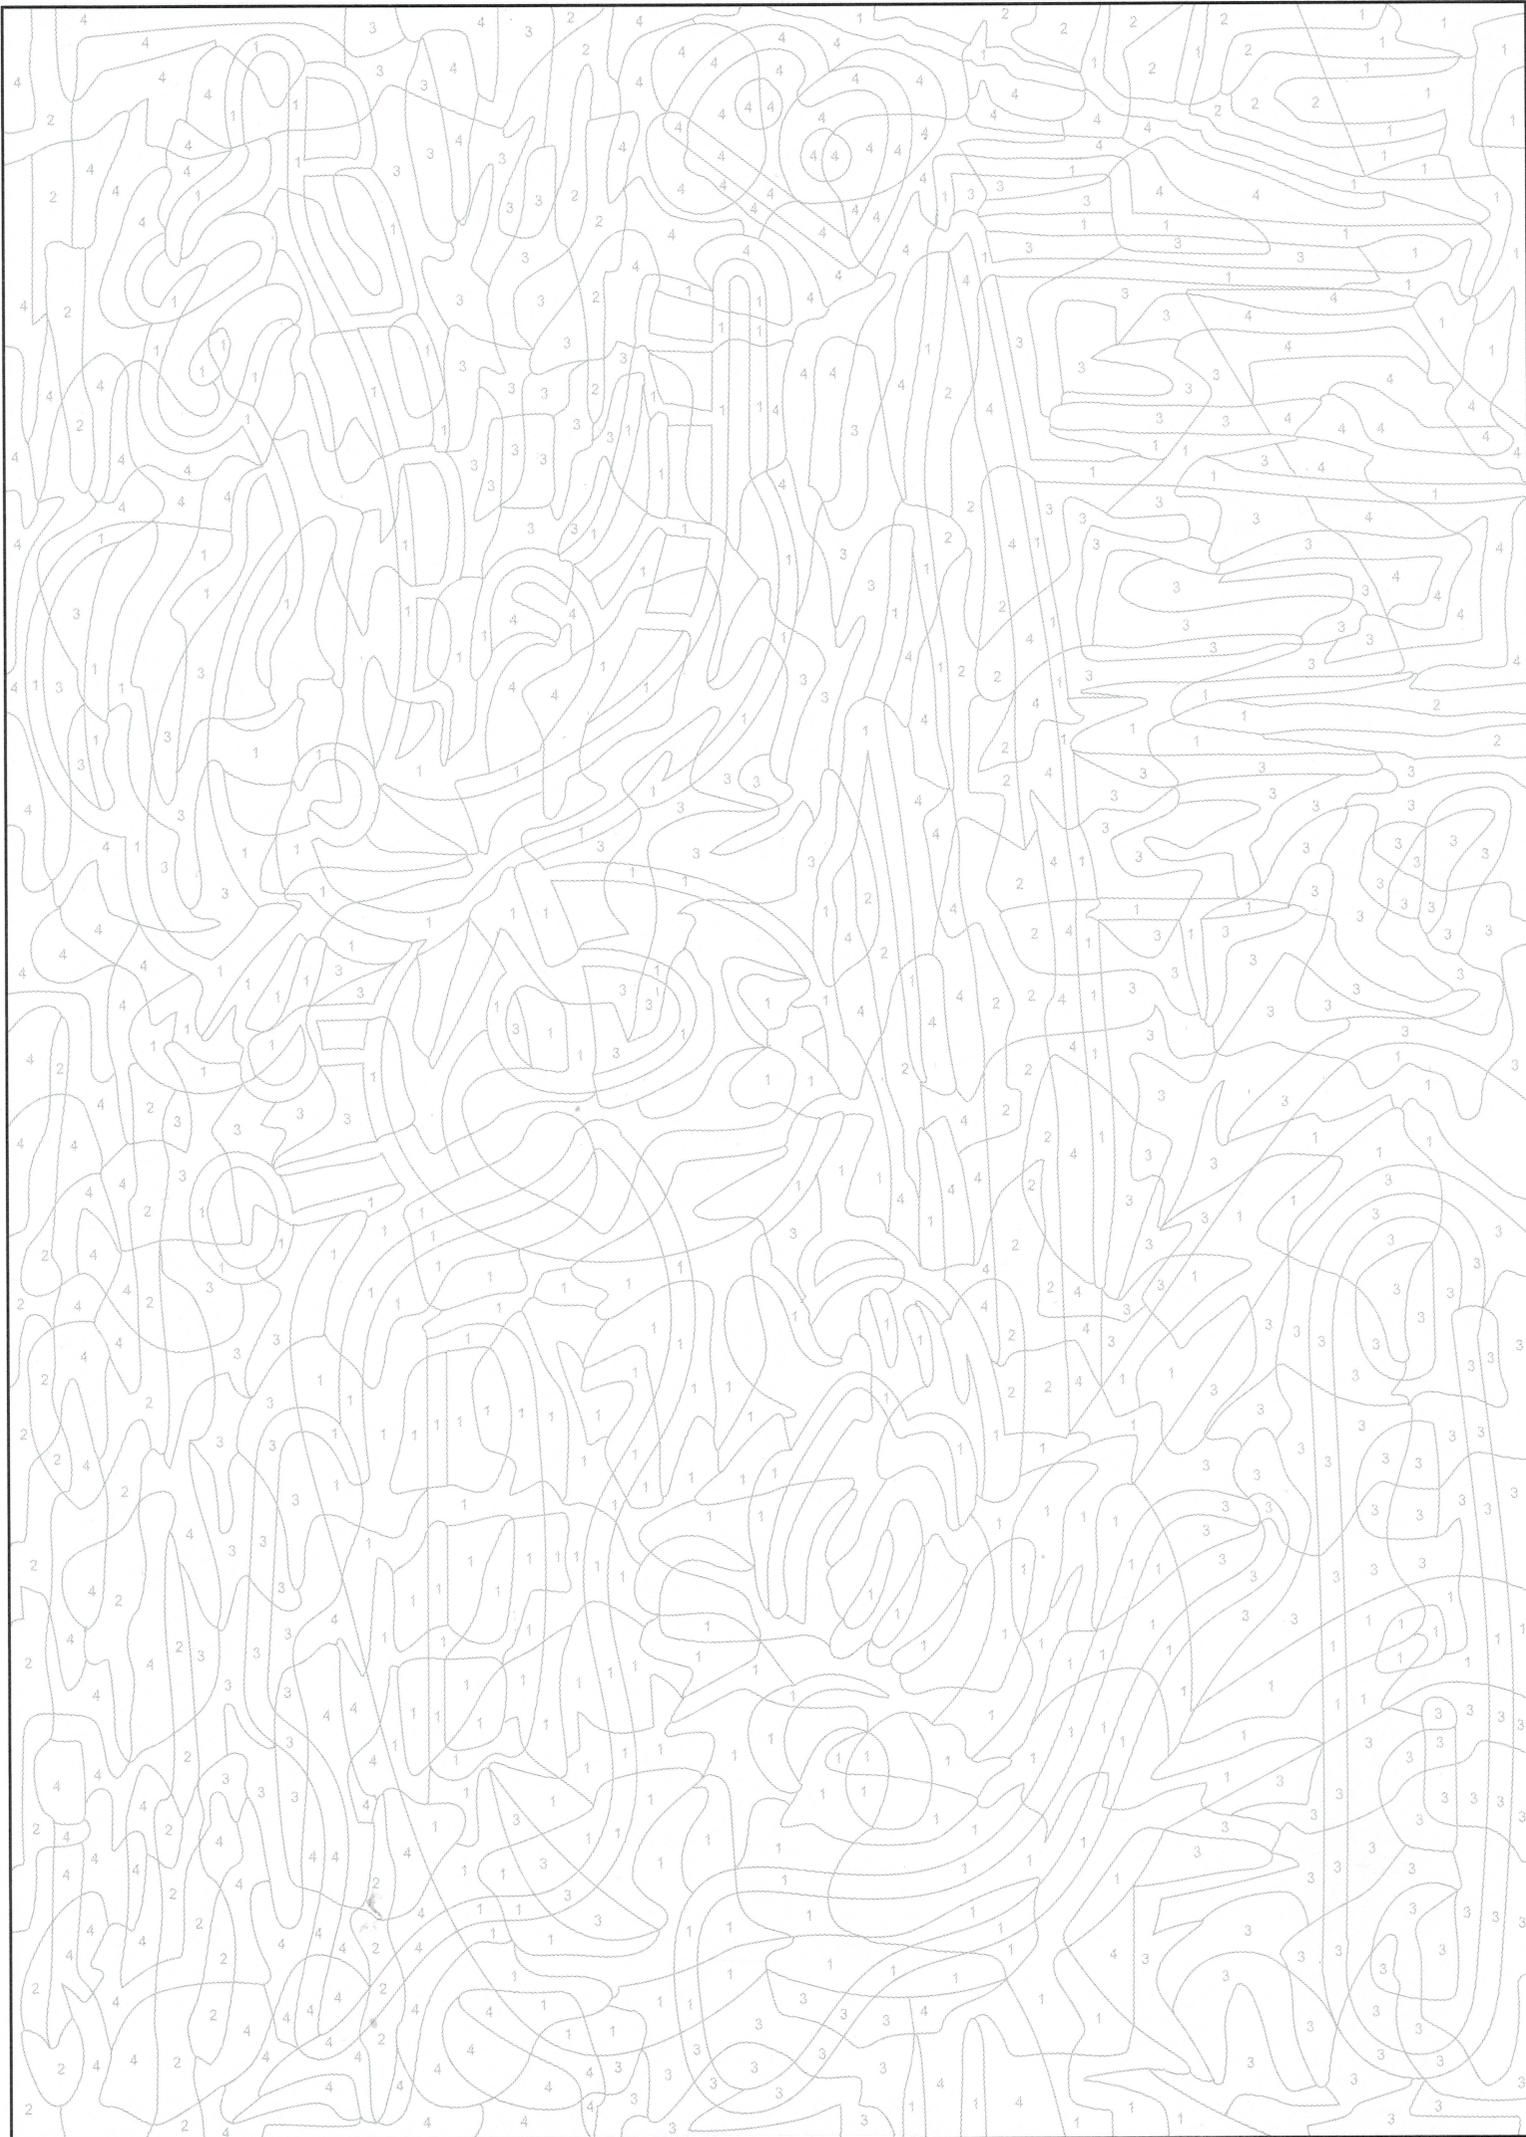

Grâce aux codes couleurs, démêlez les entrelacs des lignes, appliquez chaque nuance dans la zone correspondante et donnez vie à tous ces personnages mythiques. Affûtez votre curiosité et à vos crayons !
