TOUTE LA MAGIE Disney À REDÉCOUVRIR

« Rêve ta vie en couleur, c'est le secret du bonheur. »

Walt Disney

Nombre d'entre nous ont été de grands fans de Walt Disney et le sont restés. En plus de créer des rêves et des souvenirs heureux, les films Disney rassemblent toutes les générations. En famille ou entre amis, pour les grands et les petits, la magie Disney reste intacte.

Entrez dans la peau d'un grand illustrateur et représentez les personnages de l'univers Disney : héros, vilains, personnages secondaires, princesses, animaux… des plus connus aux oubliés, redécouvrez-les au fur et à mesure en démêlant puzzles et entrelacs de lignes. Suivez les courbes, les codes couleurs et formez à votre tour des visages attendris, démoniaques, joviaux ou combatifs qui vous ont marqués ou rendus heureux.

Appropriez-vous ce nouveau tome en suivant votre propre voie pour les couleurs en fonction de votre sensibilité et de votre matériel. Le choix vous appartient et vous pouvez tout à fait sélectionner des couleurs proches de celles qui sont indiquées. Sachez aussi que les couleurs et le noir sont numérotés, contrairement au blanc.

Petite astuce : vous pouvez rajouter du blanc en peinture pour masquer les lignes grises. Néanmoins, les gris des filets ont été atténués afin qu'une fois entièrement colorisée, la grille disparaisse au profit de votre mise en couleur. Votre œuvre finale resplendira et donnera l'impression que c'est vous qui avez créé l'original.

Enfin, vous pourrez constater que les niveaux de difficultés varient d'un coloriage à l'autre. Il vous sera ainsi possible de choisir selon le temps que vous souhaitez y consacrer, de varier les vitesses d'exécution ou, pourquoi pas, de réaliser cet ouvrage de manière collective.

Affûtez votre curiosité et à vos crayons !
