WARRIOR WOMEN

Stressed out at work? Are the pressures of the world getting you down? We guarantee relaxation with these complex Zen and anti-stress colouring pages for adults.

Harmony of Colour Book Fifty Two: Warrior Women offers detailed images and patterns that are chosen by experts for their soothing properties.

Be aware of the overall harmony of your colouring rather than focusing on each element individually. Try to balance the colours so that they are a reflection of your emotions of the moment. If the colours of your page are in harmony, then your mind will follow!

Now... grab your pencils or textas and de-stress...

“That whole heroic notion of the women warriors known as Amazons is extremely appealing. It was appealing in antiquity, and, throughout the Middle Ages, the Renaissance, they’re always portrayed as heroic, courageous, and the equals of men, and that’s just extremely attractive and has been since antiquity.”

“Because you are women, people will force their thinking on you, their boundaries on you. They will tell you how to dress, how to behave, who you can meet and where you can go. Don’t live in the shadows of people’s judgement. Make your own choices in the light of your own wisdom.”

“The real Amazons were long believed to be purely imaginary.

They were the mythical warrior women who were the archenemies of the ancient Greeks. Every Greek hero or champion, from Hercules to Theseus and Achilles, had to prove his mettle by fighting a powerful warrior queen.”

“That’s all I could ever hope for, to have a positive effect on women. ‘Cos women are powerful, powerful beings.

But they’re also the most doubtful beings. They’ll never know - we’ll never know - how powerful we are.”

“The Amazons were notorious for their freedom: their sexual freedom, their freedom to hunt, to be outdoors, to go to war; and the Greeks, both men and women alike, were fascinated by these stories. Maybe it was a safe way to explore the idea of women who could be equals of men.”
