“The reason why the romantic love relationship is such an intense and universally sought-after experience is that it seems to offer liberation from a deep-seated state of fear, need, lack, and incompleteness that is part of the human condition in its unredeemed and unenlightened state.”

“I love you without knowing  
how, or when, or from where.

I love you simply, without  
problems or pride: I love you  
in this way because I do not  
know any other way of loving  
but this, in which there is no I or  
you, so intimate that your hand  
upon my chest is my hand, so  
intimate that when I fall asleep  
your eyes close.”
