Introduction

Les chiens et chiots sont des personnages récurrents des films d'animation Disney. Qu'ils soient les héros – comme Volt, Pongo ou encore Lady – ou simplement des compagnons – comme Pataud ou Max –, ils sont attachants et toujours drôles.

À poils longs, à poils courts, tout petits ou énormes, ayant la faculté de s'exprimer ou non, retrouvez tous les chiens Disney dans ces 100 coloriages inédits. Nous leur avons adjoint quelques loups pour varier les plaisirs !

Grâce aux codes couleurs, démêlez les entrelacs de lignes, appliquez chaque nuance dans la zone correspondante et donnez vie à tous ces personnages.
