PAPIER CERTIFIÉ

MOT DE L'AUTEUR

Merci d'avoir d'acheté ce deuxième volume des coloriages Looney Tunes !
Vous trouverez un peu plus de personnages emblématiques toujours aussi colorés et vivants. Cet univers me tient particulièrement à cœur, car cela a bercé mon enfance, et j'ai réalisé ce livre avec passion. J'espère que ces dessins vous procureront autant de plaisir que j'en ai eu à les créer.

Un livre destiné aux habitués du coloriage
La complexité et la petite taille des codes demandent beaucoup de concentration, une bonne vue et du temps.

À savoir
J'ai été obligé de laisser des petites zones déjà colorisées car il n'était pas possible de mettre un code couleur à l'intérieur de la zone trop petite.
Soyez très vigilants avant de colorier car chaque zone comporte un chiffre, une lettre ou un symbole unique.

Code couleur
Les lettres utilisées pour identifier les couleurs (après les chiffres) sont choisies avec soin afin de pouvoir les différencier. En effet, il n'y a pas de « i » et de « l » car vous pouvez les confondre avec le chiffre « 1 ». De plus, il n'y a pas de « o » qui est trop proche du « 0 » zéro et le « g » trop proche du « 9 ».

Dernier mot pour conclure
N'hésitez pas à me faire part de votre expérience. Un grand merci encore de prendre le temps d'acheter mes livres et de colorier mes illustrations, c'est un grand honneur et plaisir que vous me faites.
