INTRODUCTION

Sms, like, post, réseaux, groupes...

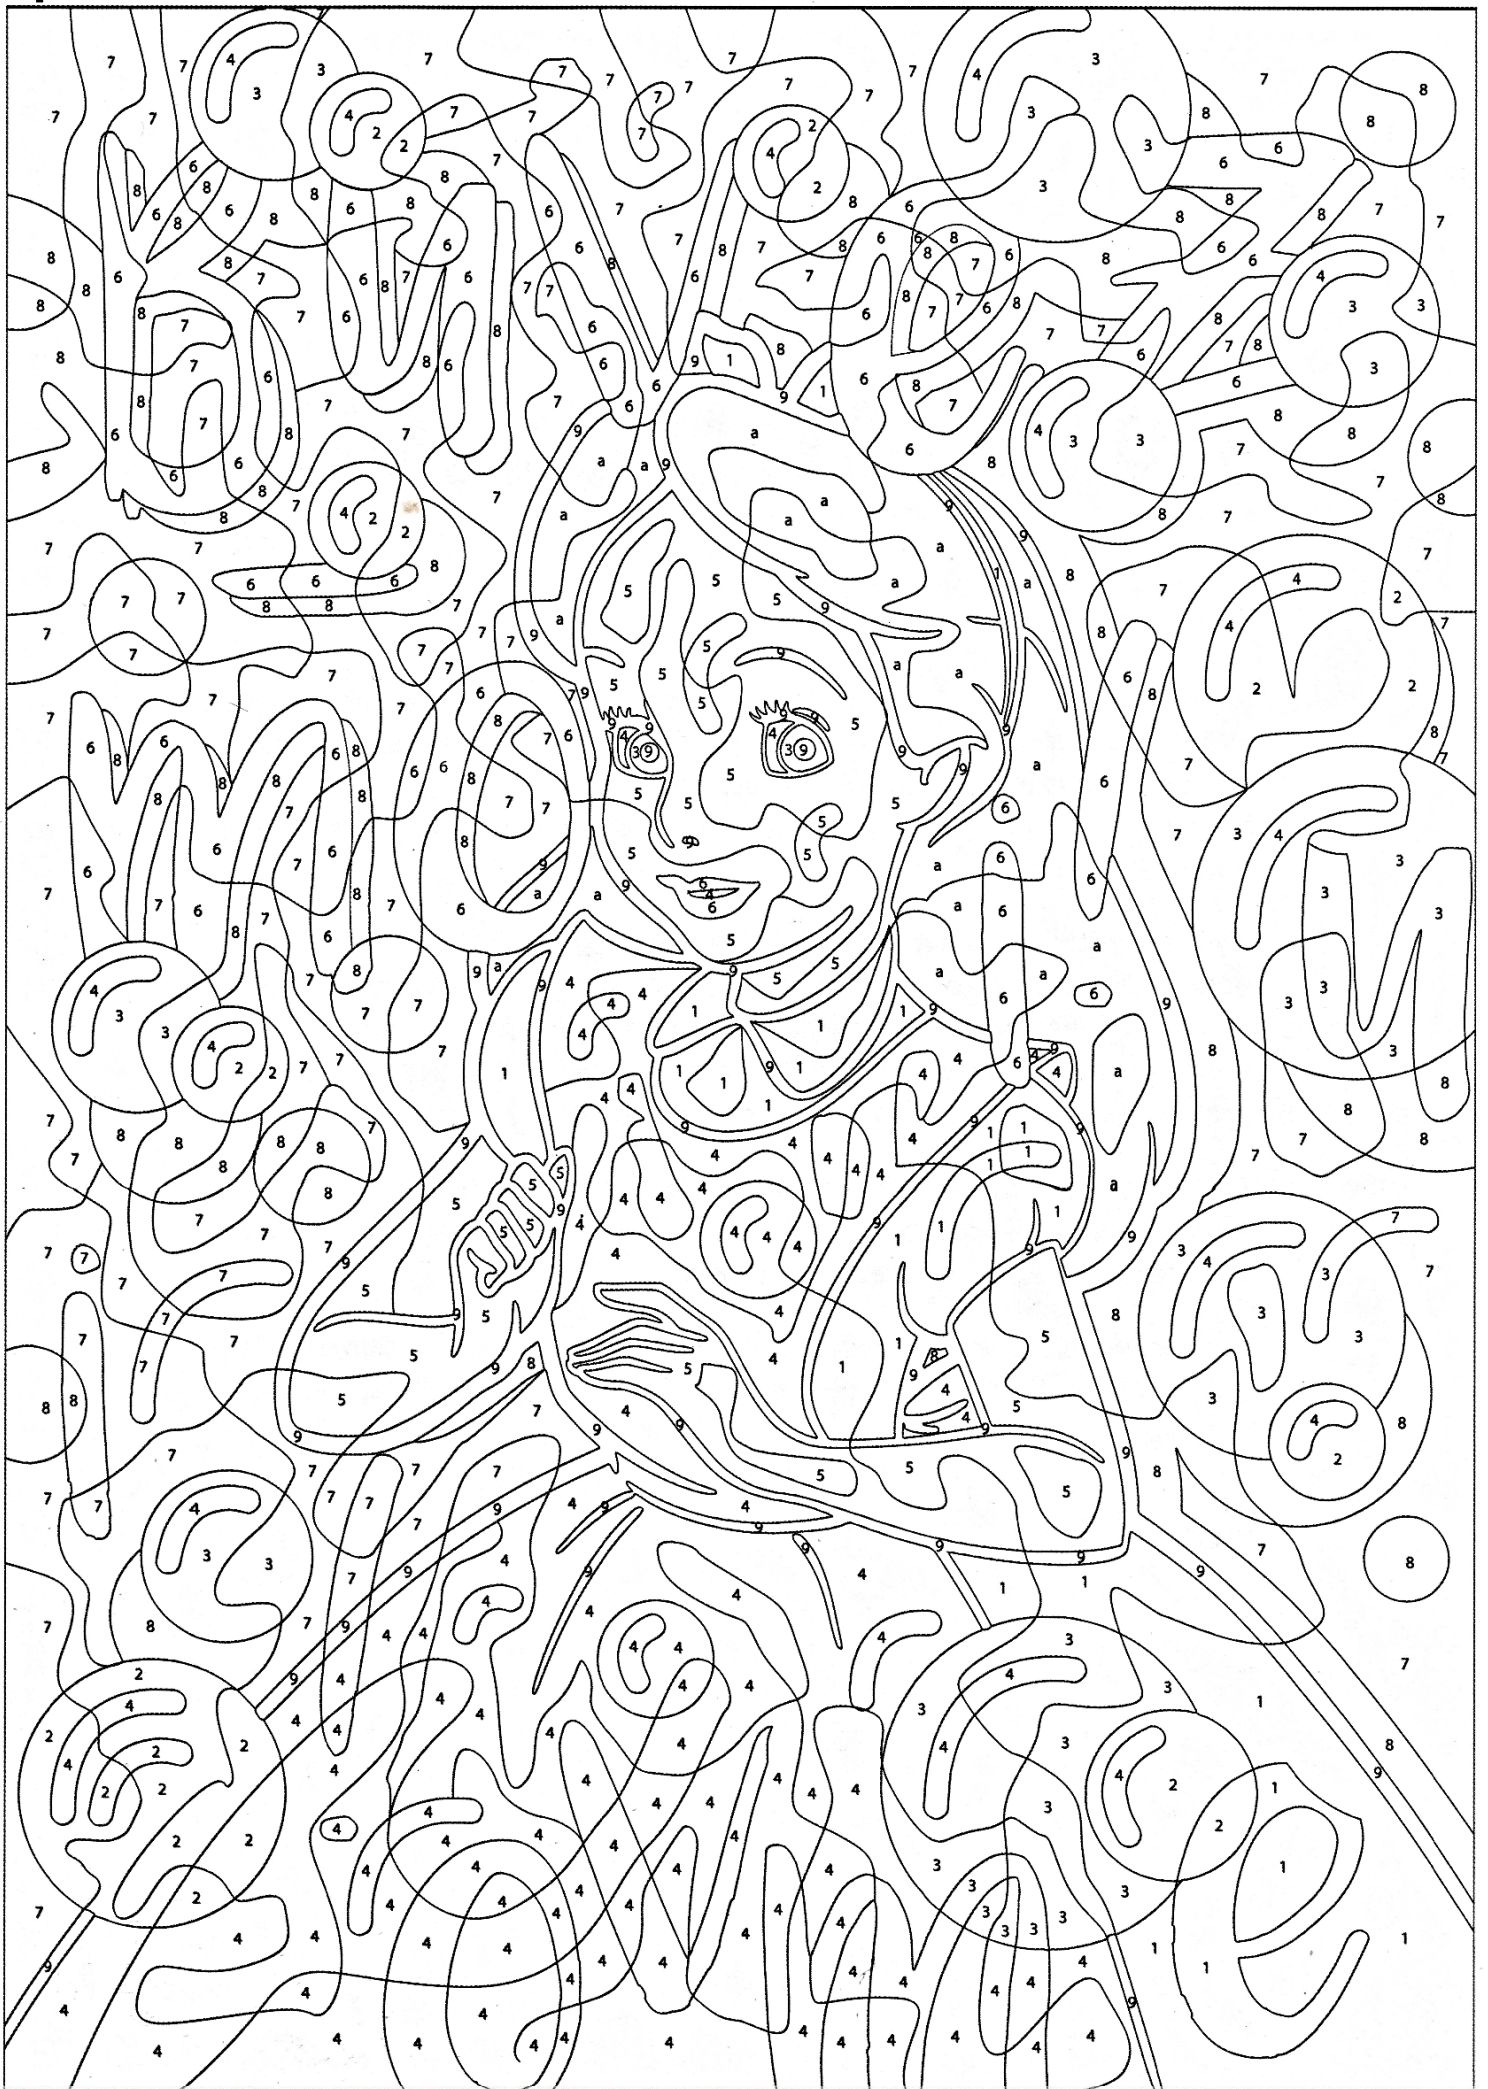

Notre façon de nous envoyer des messages ne cesse de s'enrichir. Nous avons à cœur de partager des événements, des réactions, des mots tendres ou des images drôles. Ces échanges avec nos amis, notre famille ou notre communauté nourrissent notre quotidien et participent à notre épanouissement.

C'est pourquoi nous avons souhaité remettre en avant cette thématique dans ce livre de coloriages mystères. Les films d'animation des studios Disney et Pixar étant eux-mêmes chaleureux, tendres et drôles, ils se prêtent particulièrement bien à l'exercice. Ils sont donc parfaits pour vous proposer, amis artistes, un espace de détente et de relaxation créative.

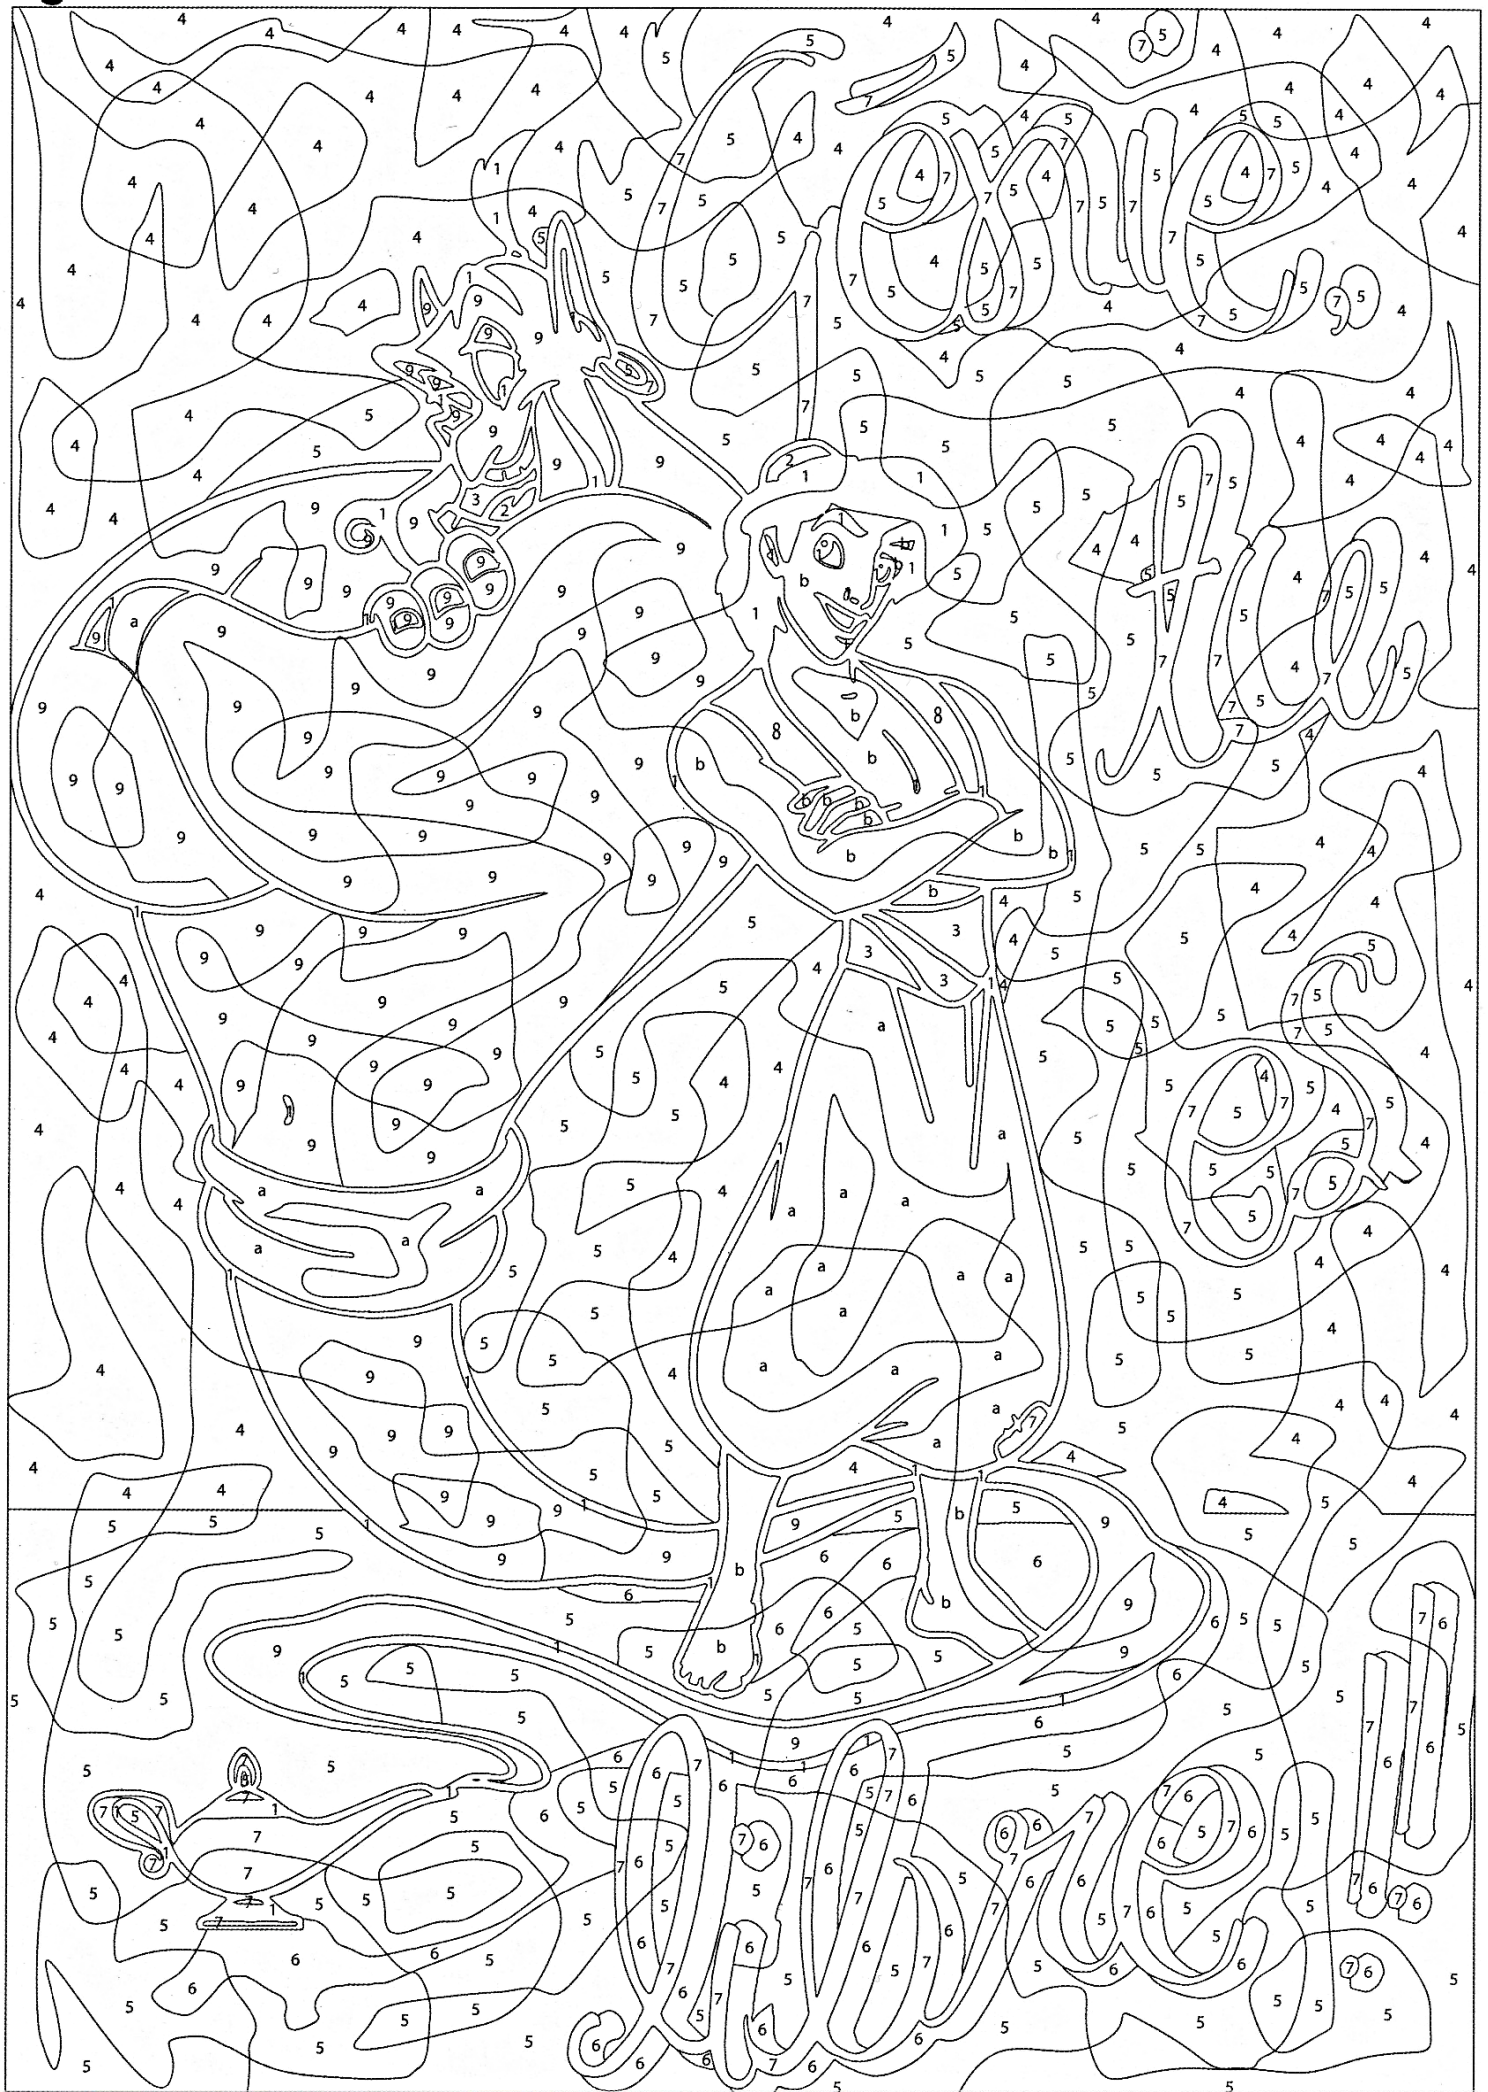

Ainsi, répliques cultes, paroles, titres de chanson et mots doux seront à l'honneur! Que vous chanteront Ariel et Simba? Quelles déclarations vous feront la Reine de cœur, Judy Hopps ou Merida?

Équipez-vous de vos crayons, suivez le code couleur et démêlez les entrelacs de lignes pour révéler vos personnages préférés et leurs messages cachés!

Bon coloriage!
