AFRICAN SAFARI

Stressed out at work? Are the pressures of the world getting you down? We guarantee relaxation with these complex Zen and anti-stress colouring pages for adults.

Harmony of Colour Book Forty Two: African Safari offers detailed images and patterns that are chosen by experts for their soothing properties.

Be aware of the overall harmony of your colouring rather than focusing on each element individually. Try to balance the colours so that they are a reflection of your emotions of the moment. If the colours of your page are in harmony, then your mind will follow!

Now... grab your pencils or textas and de-stress...
