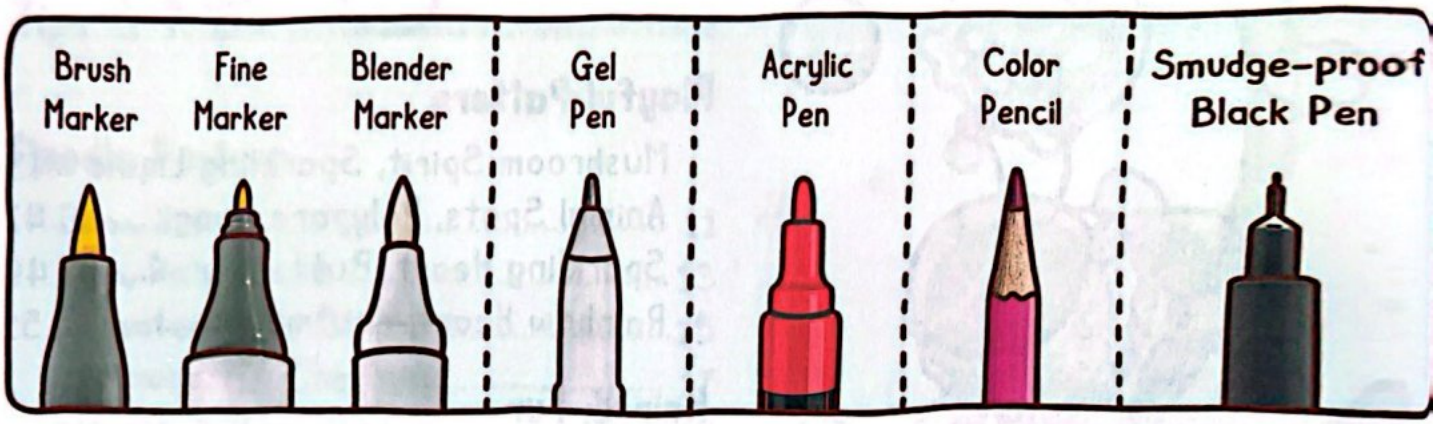
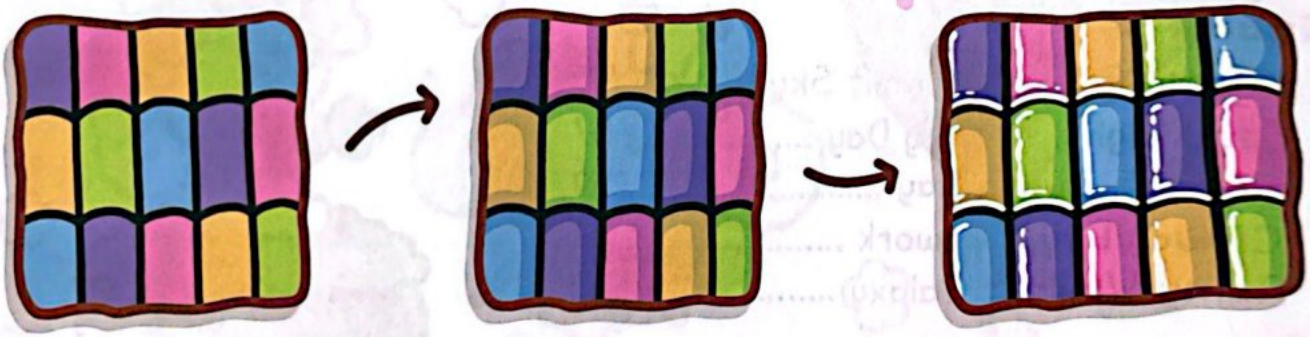
HOW TO DRAW
PATTERNS
IT'S ALL ABOUT HAVING FUN !

tips & tricks

1 TYPES OF PENS USED



2 HOW TO APPLY HARD SHADING & HIGHLIGHTS



STEP 1:
Apply the base colors and let it dry completely.

STEP 2:
Add shading using gray or darker tones to create depth.

STEP 3:
Wait for the shading to dry, then use a white gel pen to add highlights.

3 HOW TO BLEND

Apply the next color while the base is still wet for a smooth blend. Use circular motions to soften transitions.

CONTENTS

All About This Book 3
Tips & Tricks 8

Doodle Pattern

Bow, Lime 11
Fish, Patchwork 13
Sweater Knit, Glitter 15
Strawberry, Cherry 17
Flower & Bow, Bee 19

Surface Texture

Stained Glass, Cracked Earth..... 21
Blooming Stones, Crystal 23
Cement, Paved Stone 25
Honeycomb, Melting Drip 27
Disco Ball, Colorful Tiles 29
Tile, Granite 31
Mossy Bricks, Roof Tiles 33
Pastel Pavers, Scales 35
Rust, Wood Planks 37

Water Effect

Coast, Ocean Foam 39
Moonlit Lake, Bubbles 41
Ripples, Puddles 43

Playful Pattern

Mushroom Spirit, Sparkling Liquid ..45
Animal Spots, Polypore Fungi 47
Sparkling Heart, Butterfly 49
Rainbow Heart, Heatmap 51

Hair & Fur

Curly Hair, Fur 53

Window & Sky

Mystic Forest, Moonlit Sky 55
City Night, Stormy Day 57
Sunset, Sunny Day 59
Cloudy Day, Firework 61
Rainy Window, Galaxy 63

Nature Texture

Stone Path, Muddy 65
Volcano, Snowy 67
Bushes, Shrub 69
Willow, Flower Bushes 71
Icy, Lava Rock 73

ALL ABOUT THIS BOOK!

Every time we see your artwork, our hearts jump with an awww! Your amazing creativity turns simple lines into something even more special than we ever imagined!

This book celebrates the joy of creativity through color. It's here to encourage you to color in your own unique style and, most importantly, to have fun!

things to remember:

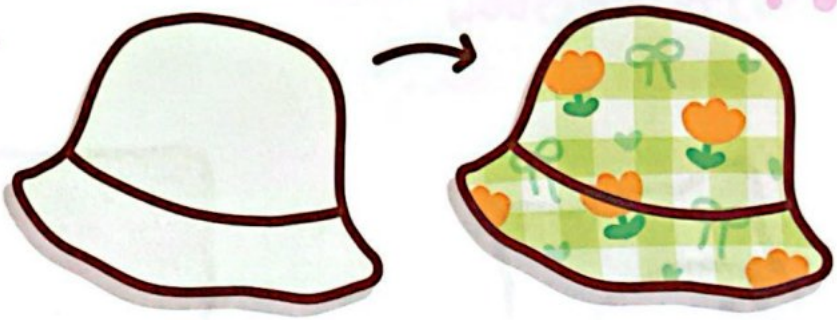
Do it your way.

Color and add patterns however you like.

Feel free to mix up the colors to match your vibe!

4 HOW TO ADD PATTERNS

Let the first layer dry completely, then add any patterns you like!



5 HOW TO USE ACRYLIC PEN

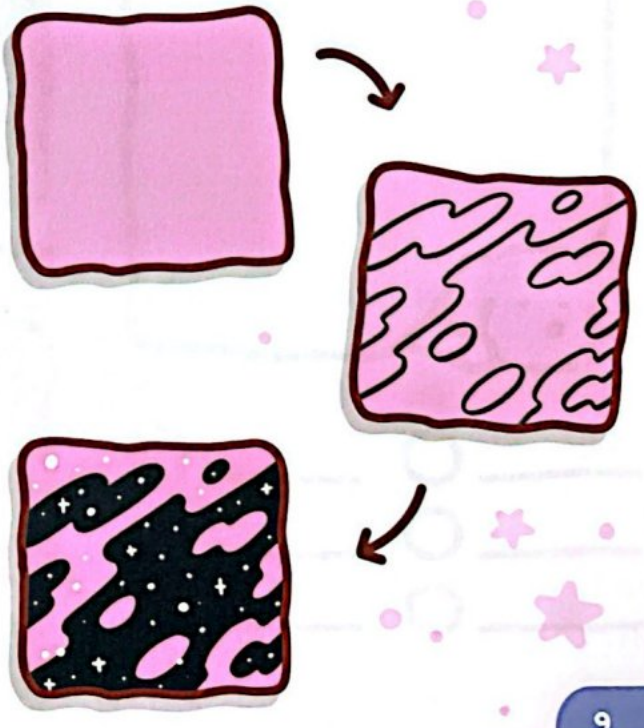
Use acrylic paint for highlights, contrast, or patterns. Layer it over markers or colored pencils to make details pop with sparkles or a soft glow.

6 HOW TO USE BLENDER MARKER

Use a blender marker to blend, lighten, or soften colors. Scribble on scrap paper to clean the tip.

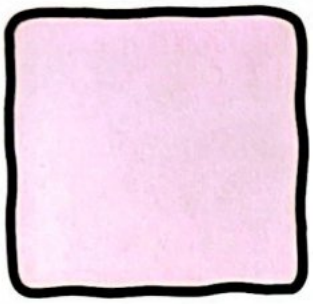
7 HOW TO DRAW MORE UNIQUE DETAILS

Use a smudge-proof black pen or a pencil to draw more fun details.

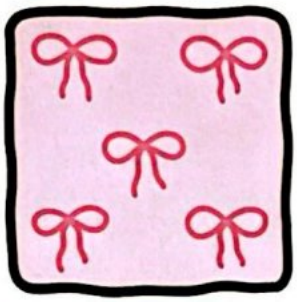


BOW

start



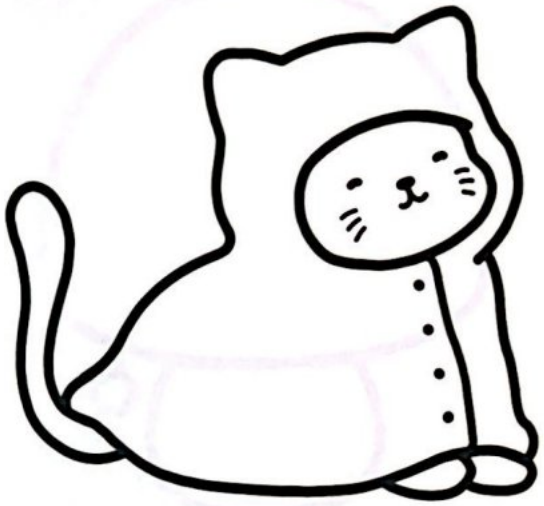
1 Color the base, then let it dry.

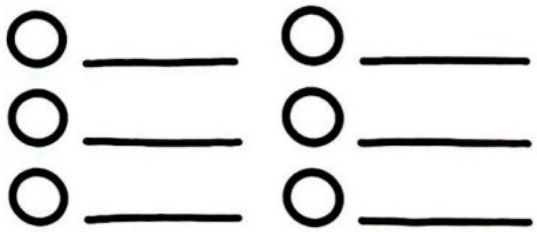


2 Draw random bows.

3 Add hearts in a darker color.

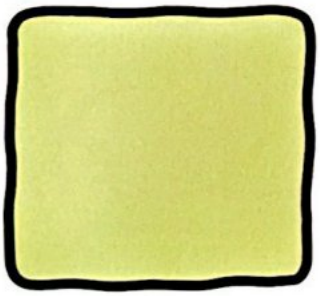
4 Add random dots.





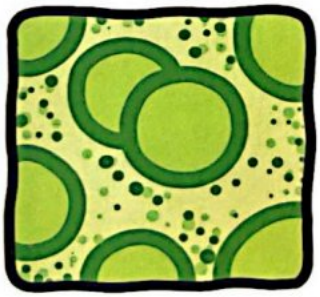
LIME

start



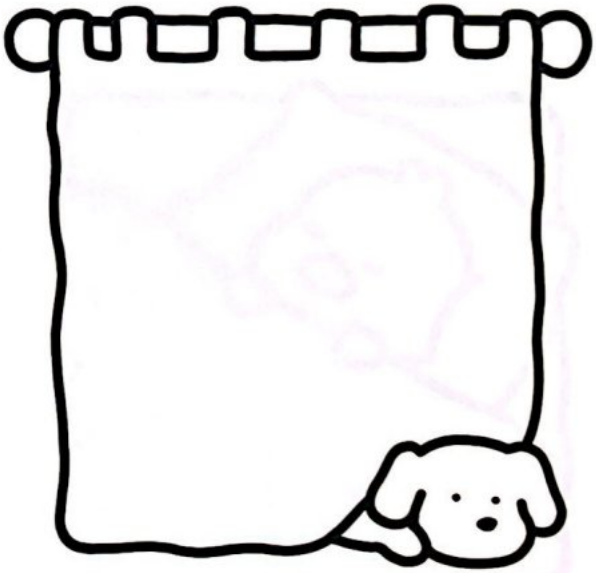
1 Color the base, then let it dry.

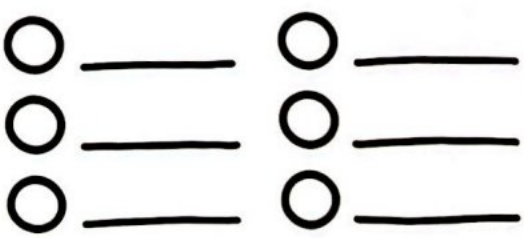
2 Add uneven solid circles with any color.



3 Outline the circles and add random dots in a darker shade.

4 Add white lines with a white gel pen.

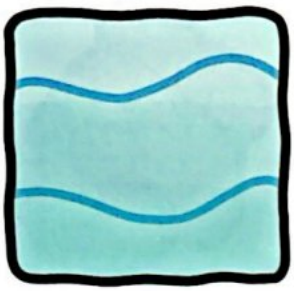




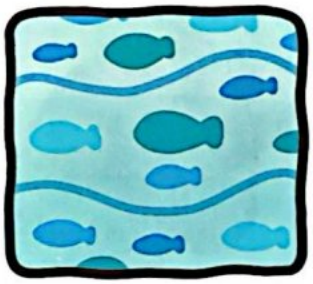
FISH

start

1 Color the base, then let it dry.

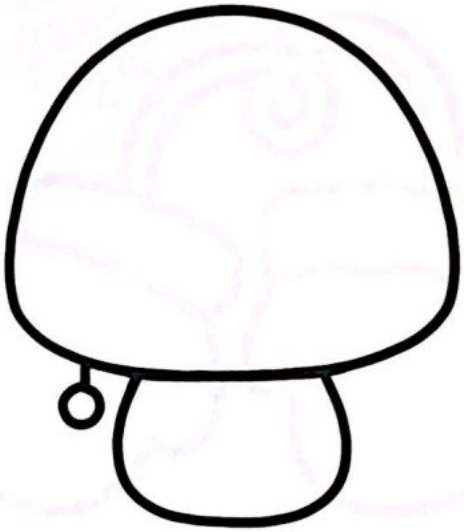


2 Draw wavy lines.



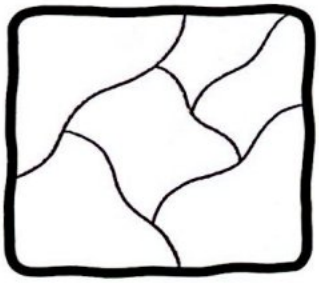
3 Draw colorful, random fish.

4 Add details and highlights with a white gel pen.



PATCHWORK

start



1 Draw section lines with a pencil.

2 Fill sections with colors, then outline with a black pen.

3 Let them dry, then add random patterns.

4 Add details and highlights with a white gel pen.

SWEATER KNIT

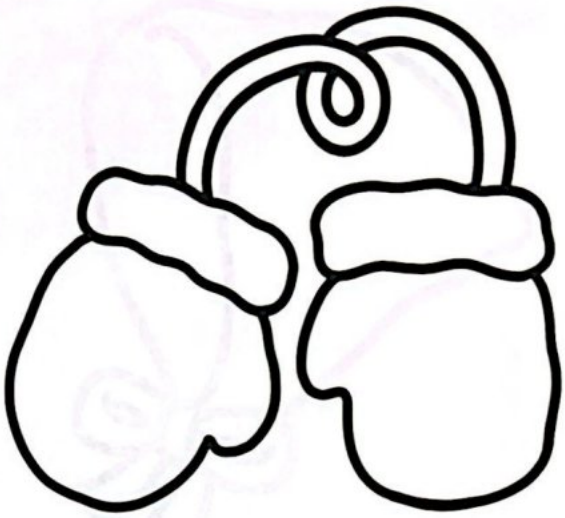
start

1 Use a pencil to divide horizontal sections and fill in the base color.

2 Use a darker shade to draw folded lines for the first layer.

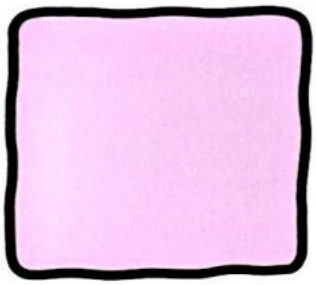
3 Use the darkest shade to draw folded lines for the second layer.

4 Draw embroidery lines with a black pen and add highlights with a white gel pen.



GLITTER

start



1 Color the base, then let it dry.

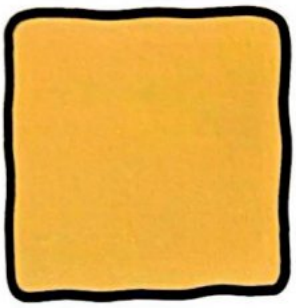
2 Use two bright colors to fill random hearts. Let them dry.

3 Add more hearts with two darker colors.

4 Use a white gel pen for sparkles.

STRAWBERRY

start

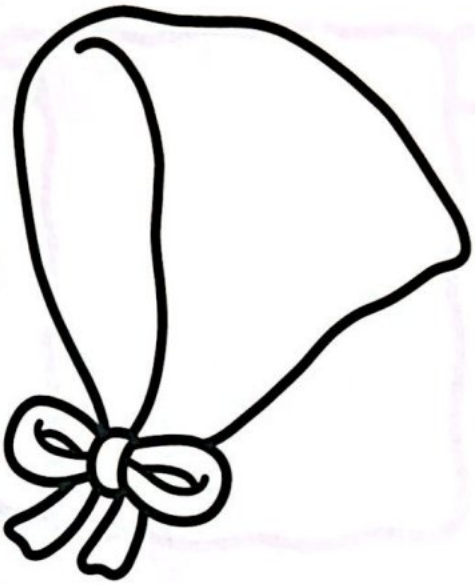


1 Color the base, then let it dry.

2 Draw random strawberries.

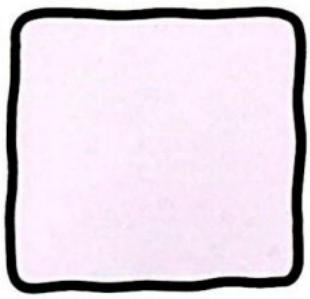
3 Add small leaves.

4 Add flowers and highlights with a white gel pen.

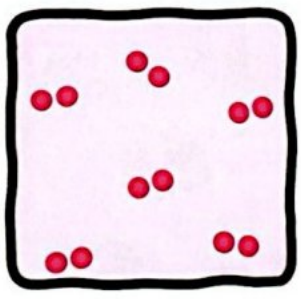


CHERRY

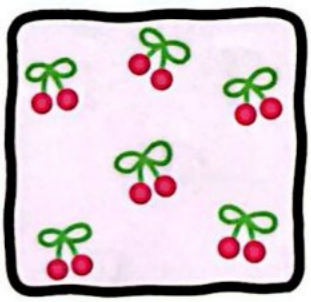
start



1 Color the base, then let it dry.

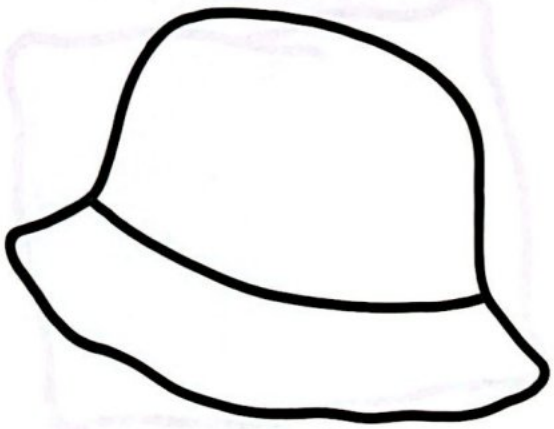


2 Draw pairs of pink dots as cherries.



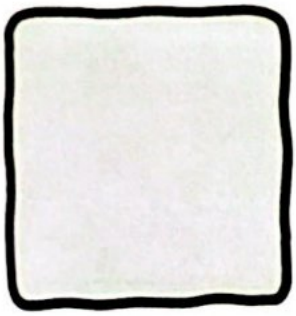
3 Add cherry leaves shaped like bow ties.

4 Add random hearts and dots.



FLOWER & BOW

Start

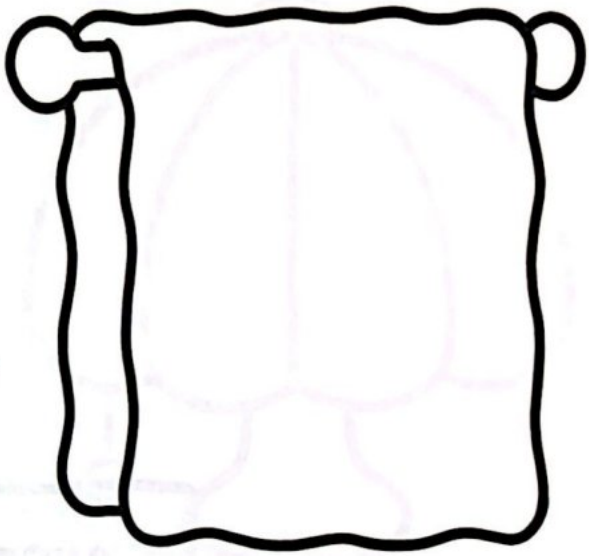


1 Color the base, then let it dry.

2 Add plaid lines using a darker shade, then let it dry.

3 Draw simple flowers.

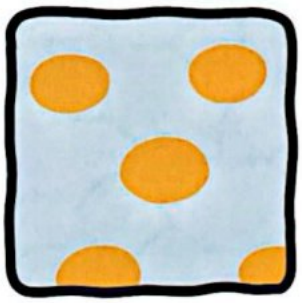
4 Add random bows and hearts.



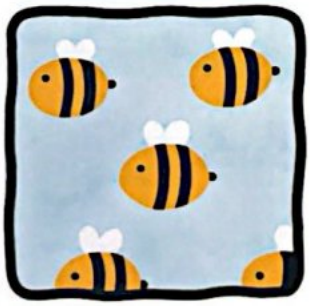
BEE

Start

1 Color the base, then let it dry.

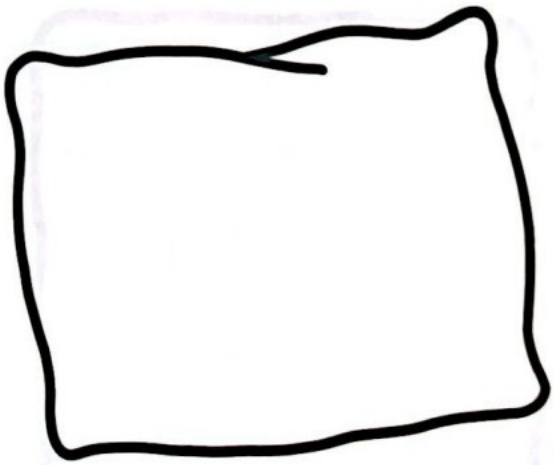


2 Add yellow ovals for bee bodies, then let them dry.



3 Use a black pen to draw bee stripes, and a white gel pen for the wings.

4 Add random colorful flowers and dots.



STAINED GLASS

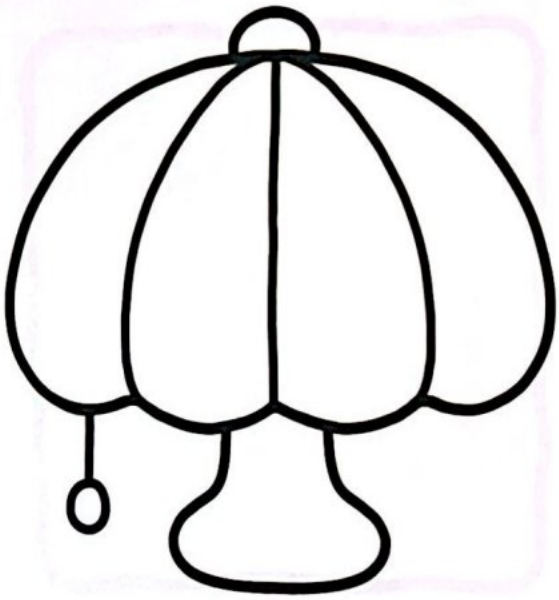
start

1 Blend a rainbow gradient while colors are still wet for a smooth transition.

2 Draw random mosaic lines with a black pen.

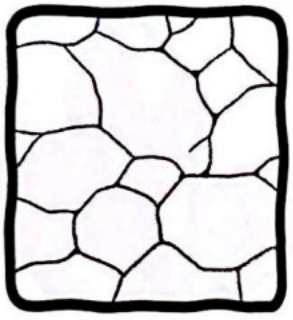
3 Use a blender marker to create a glassy effect.

4 Add sparkles using a white gel pen.

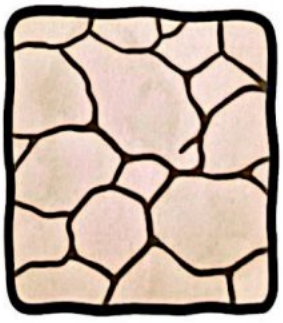


CRACKED EARTH

start



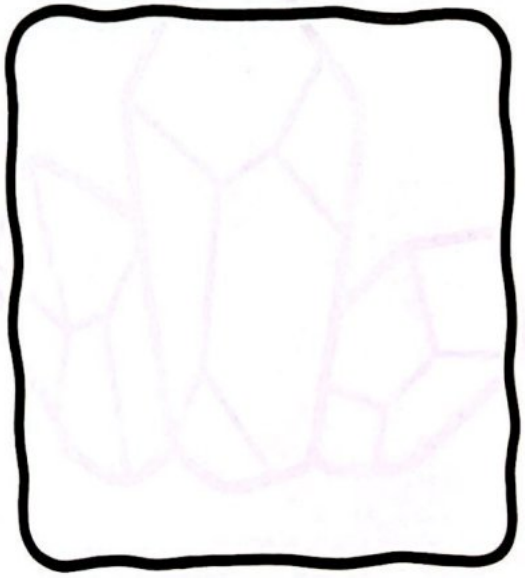
1 Draw random cracks with a pencil.



2 Color the base, then darken the cracks using an acrylic pen.

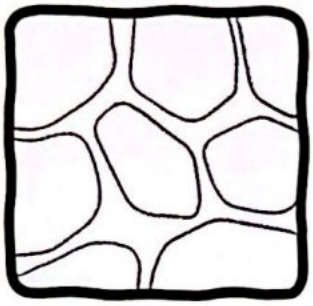
3 Shade the cracks with a dark marker.

4 Use the darkest color for details and tree roots.



BLOOMING STONES

start



1 Use a pencil to section off areas.

2 Color the base for soil and add shading.

3 Fill the grass areas with color.

4 Use a white gel pen and acrylic pens for grass details and flowers.

CRYSTAL

start

1 Color the base using multiple colors.

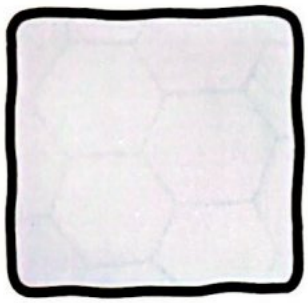
2 Create lighter zones with a blender marker.

3 Add shading with darker colors.

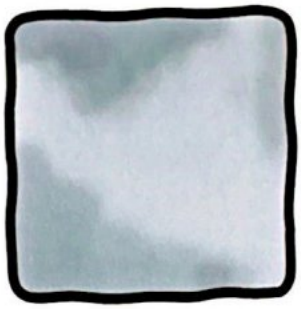
4 Add highlights with a white gel pen.

CEMENT

start



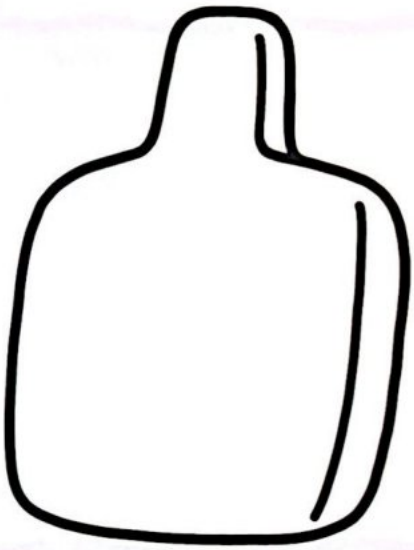
1 Color the base.



2 Blend a darker shade in random areas.

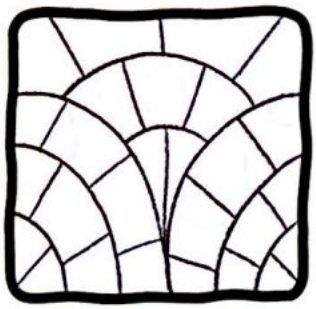
3 Draw crack lines with a black pen.

4 Add details with acrylic pens and highlights with a white gel pen.



PAVED STONE

start

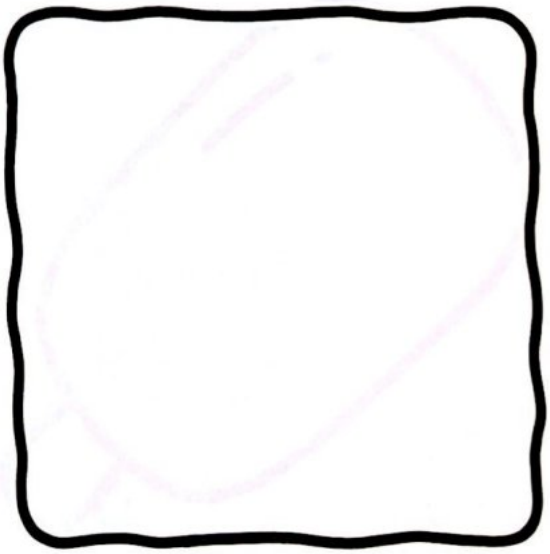


1 Draw mosaic lines with a pencil.

2 Color the base with multiple colors, then outline with a black pen.

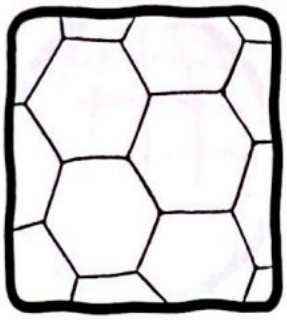
3 Let it dry, then use a darker color to add shading and dots.

4 Use a white gel pen for highlights.



HONEYCOMB

start



1 Draw connected hexagons with a pencil.

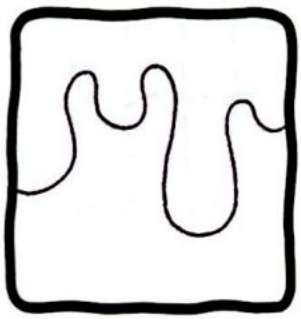
2 Create an orange gradient.

3 Cover the lines using an acrylic pen.

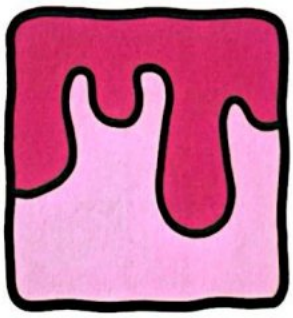
4 Highlight with a white gel pen.

MELTING DRIP

start



1 Draw a melting drip line with a pencil.



2 Color the base, then outline the drip line with a black pen.

3 Add shading and random dots with a darker shade.

4 Add highlights and dots with a white gel pen.

DISCO BALL

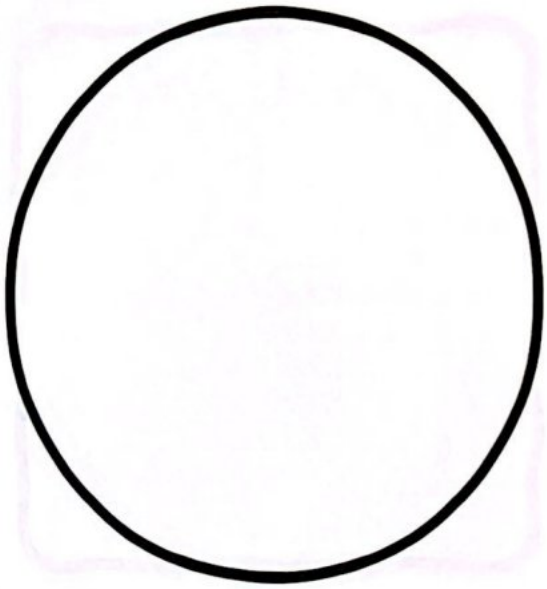
Start

1 Draw disco grid lines with a pencil.

2 Color the base with multiple colors.

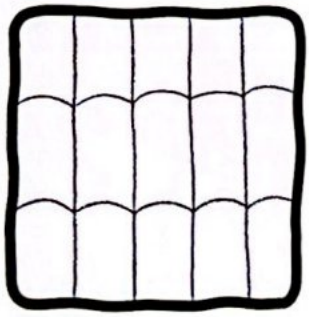
3 Trace over the lines with a white gel pen.

4 Add shine effects using a white gel pen.



COLORFUL TILES

Start

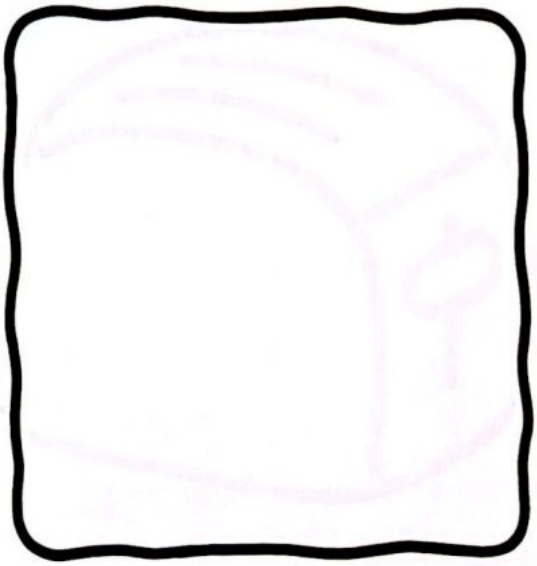


1 Draw equal-sized rectangular tiles.

2 Color the base with multiple colors.

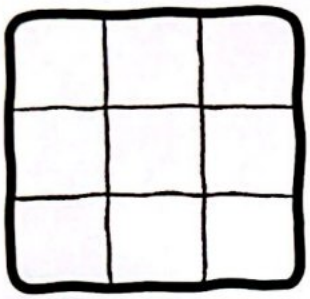
3 Add shading with a darker color.

4 Use a white gel pen for highlights.



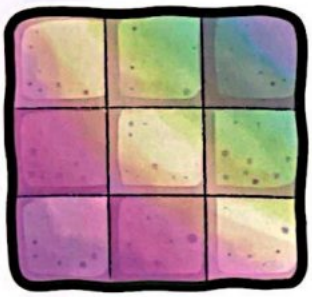
TILE

start

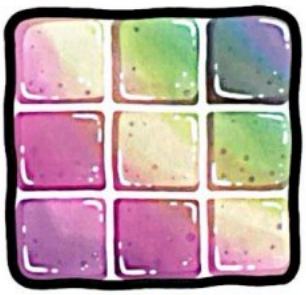


1 Draw grid lines with a pencil.

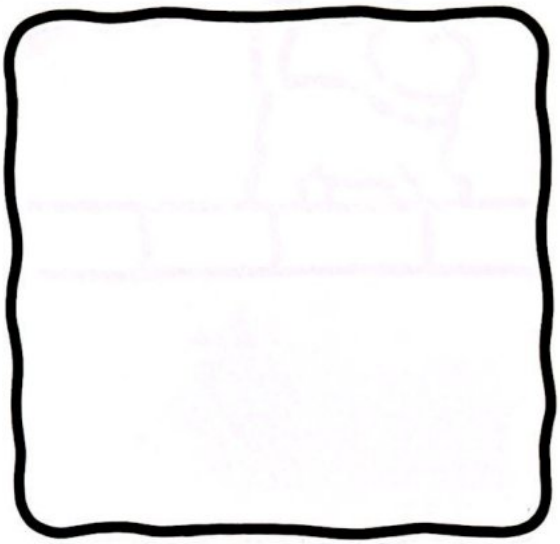
2 Blend rainbow colors across the tiles.



3 Add shading and dots with a darker color.

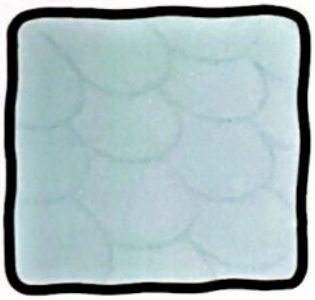


4 Add highlights using a white gel pen.



GRANITE

start

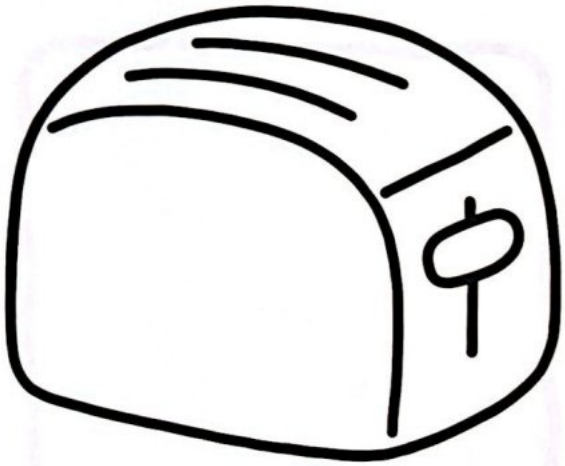


1 Color the base.

2 Blend colors while they're still wet for a smooth transition.

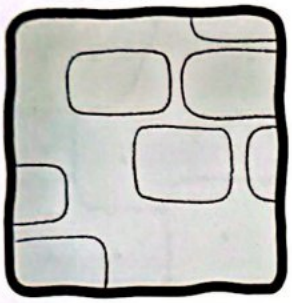
3 Draw stone veins with a darker shade.

4 Trace the veins with a gold gel pen and add sparkles.

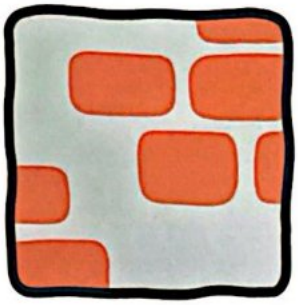


MOSSY BRICKS

start



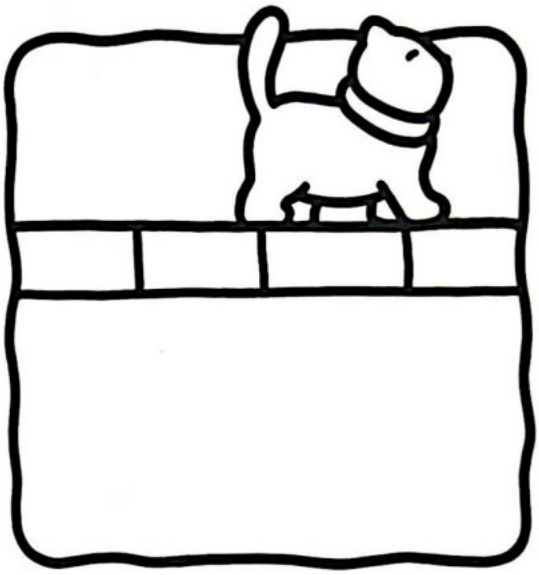
1 Color the base, then draw brick shapes with a pencil.



2 Color the brick shapes.

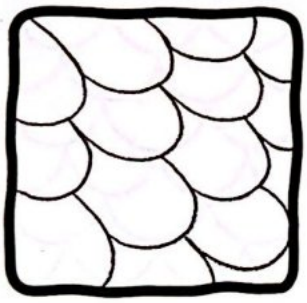
3 Add dot details with a dark color and a white gel pen.

4 Draw moss details with acrylic colors.



ROOF TILES

start

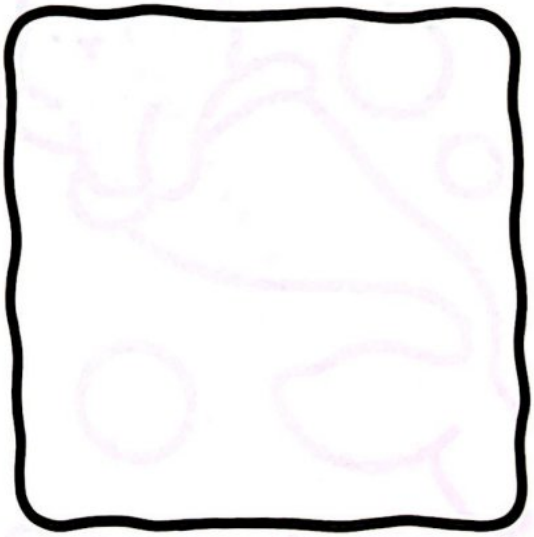


1 Draw curved tile shapes with a pencil.

2 Fill with gradient colors.

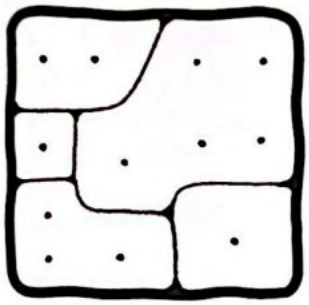
3 Add an aged effect with a darker color.

4 Shade and draw cracks with the darkest color.

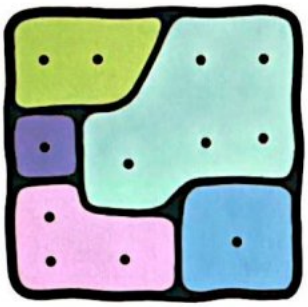


PASTEL PAVERS

start



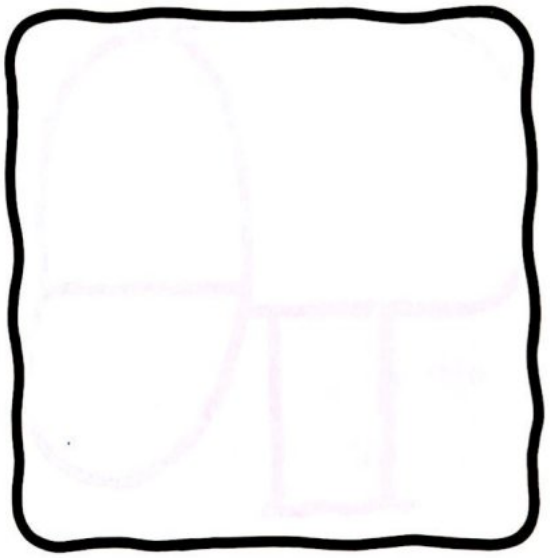
1 Use a pencil to draw sectioning lines.



2 Color the base areas, then outline them with a black pen.

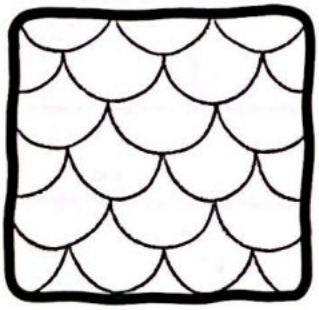
3 Wait for the color to dry, then add shading with a similar or darker color.

4 Use a white gel pen to add highlights.



SCALES

start

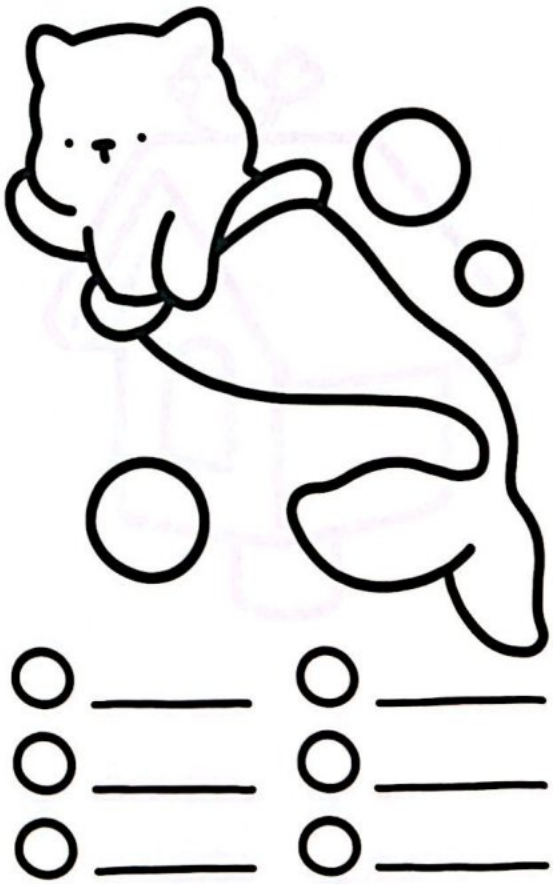


1 Draw fish scale details with a pencil.

2 Fill the scales with gradient colors.

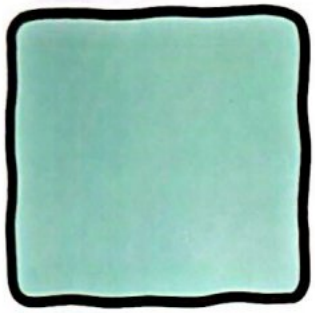
3 Add shine effects and highlights with a white gel pen.

4 Trace the lines with a gold gel pen or a glitter gel pen.



RUST

start

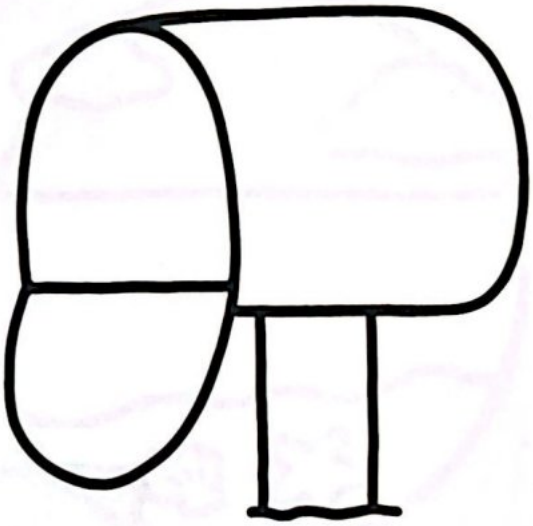


1 Color the base.

2 Draw random rust patches with a dark color.

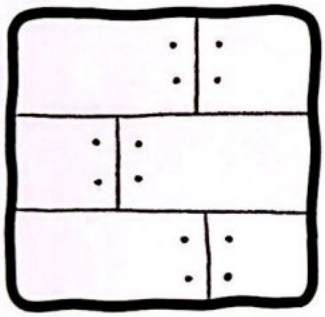
3 Shade the rust patches with a darker tone.

4 Add an aged effect using a color darker than the base.

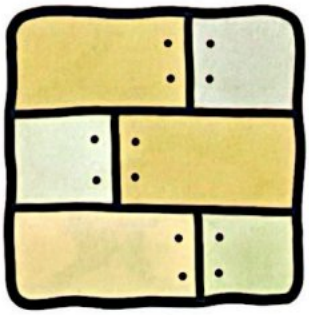


WOOD PLANKS

start



1 Sketch wooden plank lines with a pencil.



2 Color each plank with a different tone, then outline with a black pen.

3 Layer darker shades to add wood texture.

4 Add moss details and highlights.

COAST

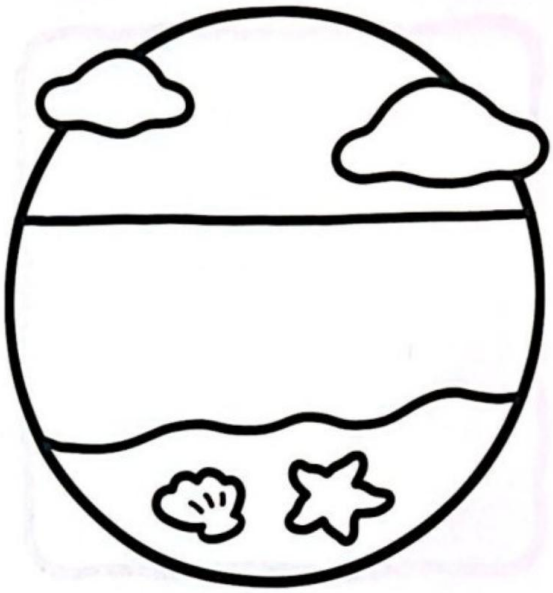
start

1 Color the first layer with two colors.

2 Create irregular shapes using a darker color.

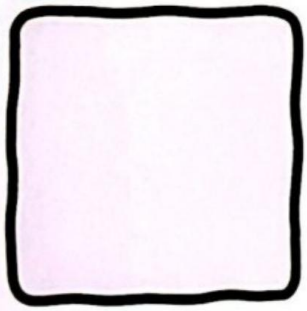
3 Draw water foam on top using a white gel pen.

4 Draw a yellow star with an acrylic pen.

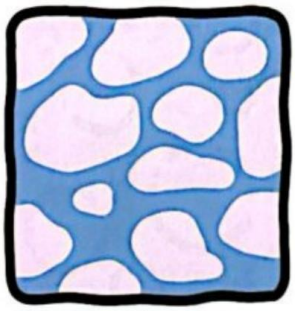


OCEAN FOAM

start



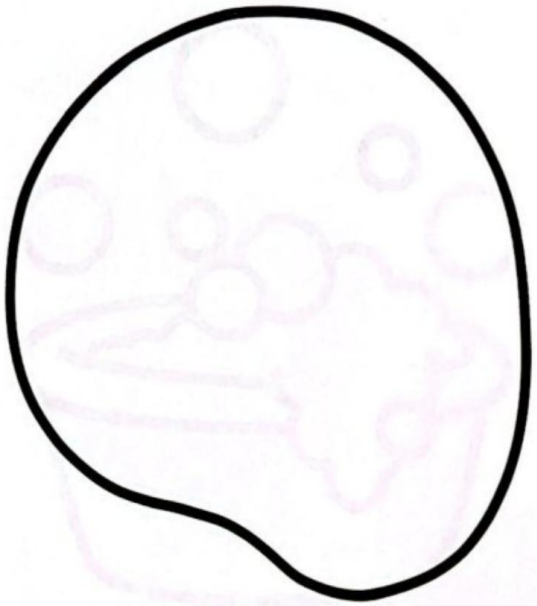
1 Color the base.



2 Use dark blue to draw connected lines forming hollow loops.

3 Use light blue to add random irregular shapes.

4 Use a white gel pen to draw connected lines and varied circles for a foam effect.



MOONLIT LAKE

start

1 Color the base using multiple colors.

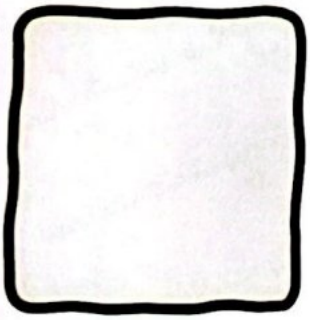
2 Create a ripple effect using a black pen.

3 Draw a yellow moon using an acrylic pen.

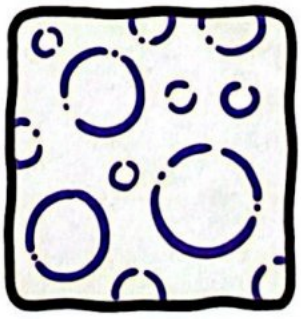
4 Highlight with a white gel pen.

BUBBLES

start



1 Color the base, let it dry.



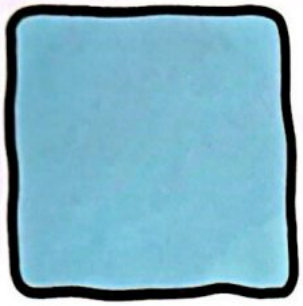
2 Draw random circles with a dark color.

3 Fill each circle with rainbow colors.

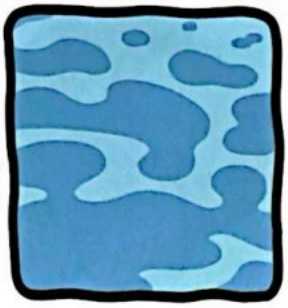
4 Add details and highlight with a white gel pen.

RIPPLES

start



1 Color the base with light blue.



2 Use a darker blue to fill irregular shapes randomly.

3 Use the darkest blue to fill the inside of those shapes.

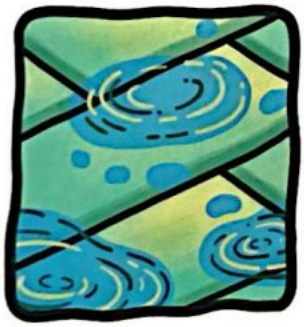
4 Use a white gel pen to add highlights only in the light blue areas.

PUDDLES

start

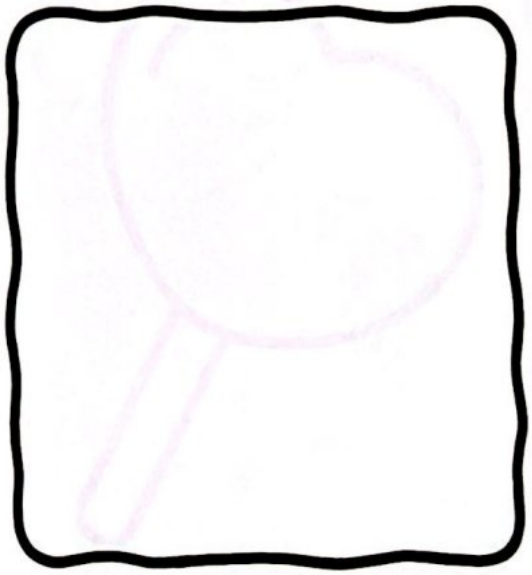
1 Color the base, then let it dry.

2 Draw random puddles with a darker color.



3 Draw ripples using acrylic pens.

4 Add raindrops with a white gel pen, then shade with a darker acrylic pen.



MUSHROOM SPIRIT

Start

1 Color the base with two colors.

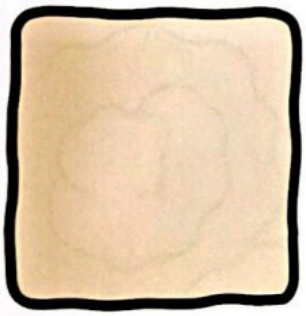
2 Add shading with a darker color.

3 Add details with a light yellow acrylic pen.

4 Highlight with a white gel pen.

SPARKLING LIQUID

Start

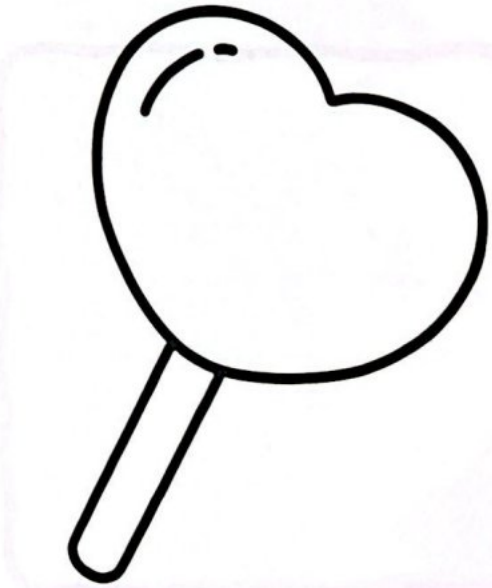


1 Color the base and let it dry.

2 Draw fun, wobbly liquid shapes using darker colors.

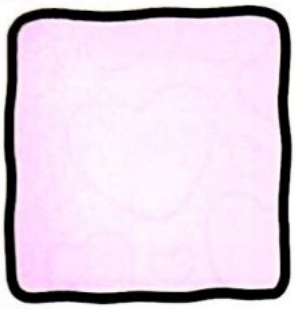
3 Add bold spots inside the shapes with deeper shades.

4 Add extra liquid shapes and a sparkle effect with a white gel pen.



ANIMAL SPOTS

start

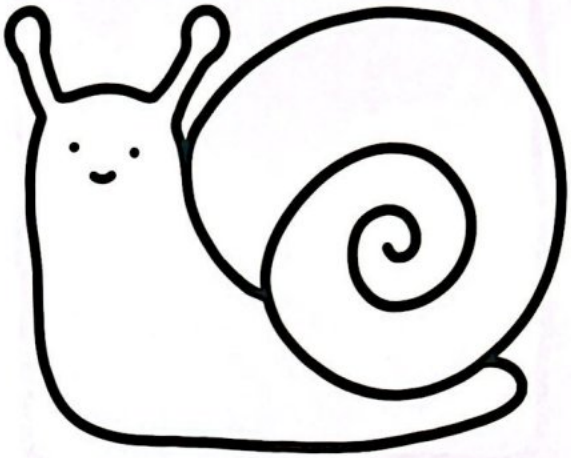


1 Color the base and let it dry.

2 Draw irregular shapes with darker colors.

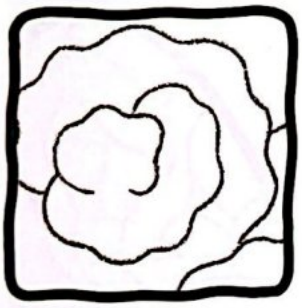
3 Use the darkest color to fill the center of the shapes.

4 Create a sparkle effect with a darker color.

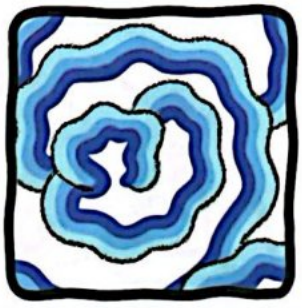


POLYPORE FUNGI

start



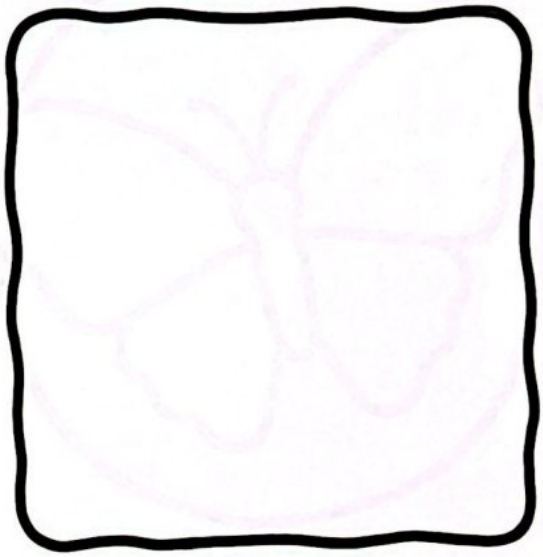
1 Draw natural spirals.



2 Start with the lightest color on the edges, then shade darker toward the center.

3 Repeat until the area is fully covered, from light to dark.

4 Add highlights with a white gel pen.



SPARKLING HEARTS

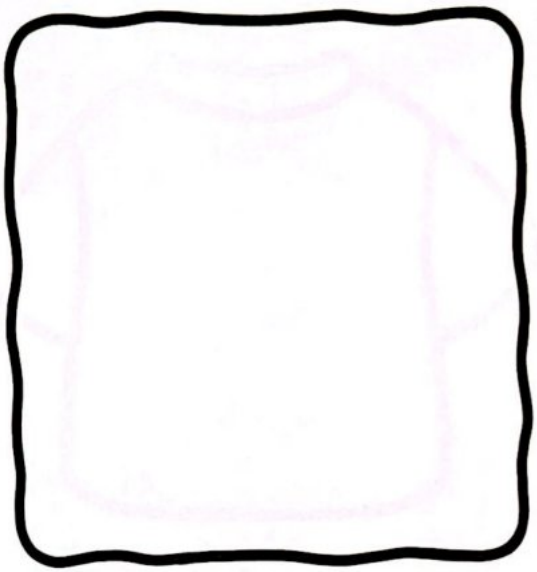
start

1 Draw random heart shapes.

2 Fill them with multiple colors, following their curves.

3 Overlay the hearts with light blue.

4 Highlight with a white gel pen.



BUTTERFLY

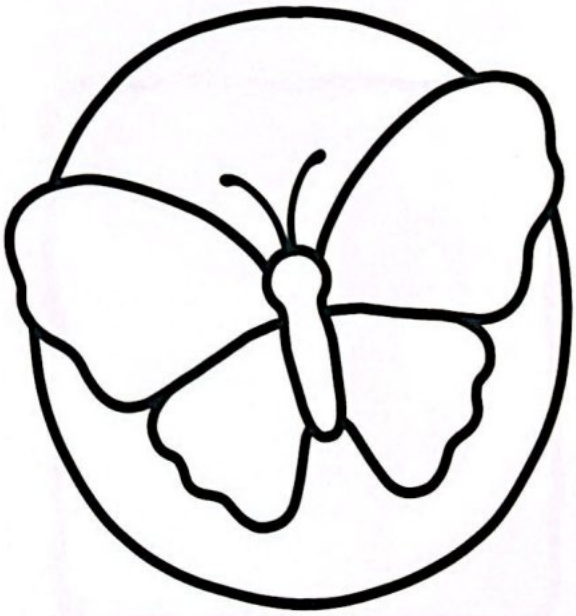
start

1 Sketch a butterfly pattern with a pencil.

2 Trace the lines with a black pen, then fill in some areas with black.

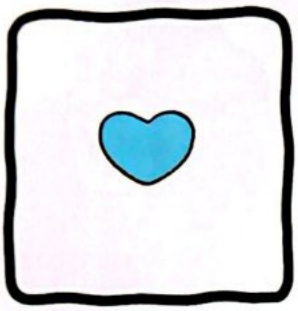
3 Fill the remaining shapes with a gradient effect.

4 Highlight with a white gel pen.



RAINBOW HEART

Start



1 Draw a heart in the center.

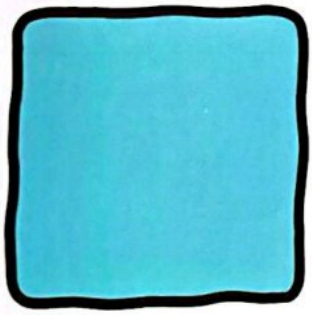
2 Cover it with rainbow shades.

3 Fill the background with black.

4 Highlight with a white gel pen.

HEATMAP

Start

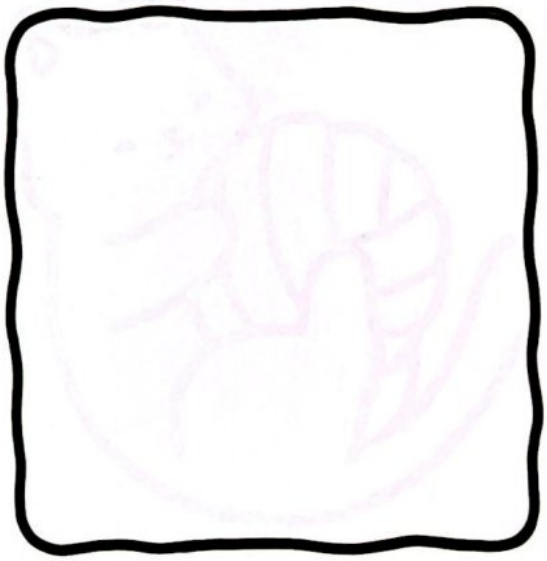


1 Color the base.

2 Use dark blue to draw connected lines that form hollow loops.

3 Add details with acrylic pens

4 Highlight with a white gel pen.



CURLY HAIR

Start

1 Color the base, then let it dry.

2 Add curly lines with a darker shade to create curly hair.

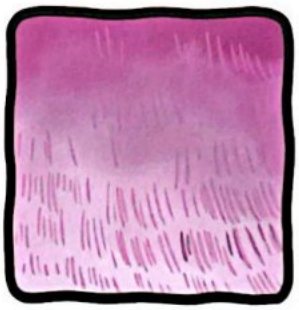
3 Layer a deeper shade for more depth.

4 Highlight and sketch flowers with a white gel pen.

FUR

Start

1 Fill the base with a gradient effect, from dark to light.



2 Use a darker shade to create random short lines for fur texture.

3 Use a deeper shade to add more random lines, the more natural, the better.

4 Use the darkest color to add depth with lines, then highlight with a white gel pen.

MYSTIC FOREST

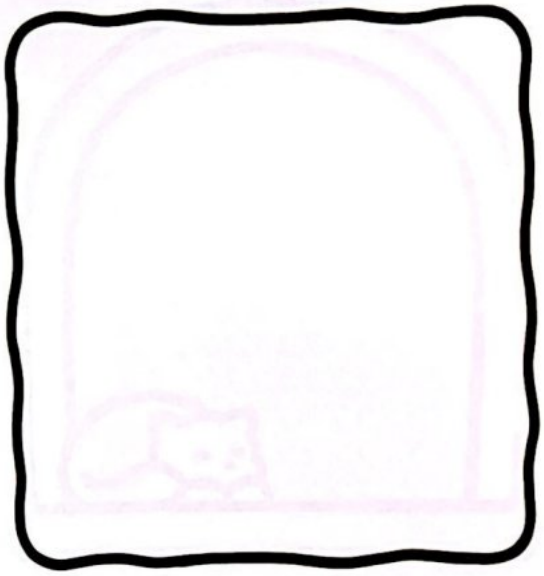
Start

1 Color the base, let it dry, and draw tree trunks.

2 Add more trunks with a darker shade.

3 Shade with a deeper color.

4 Highlight with a white gel pen.



MOONLIT SKY

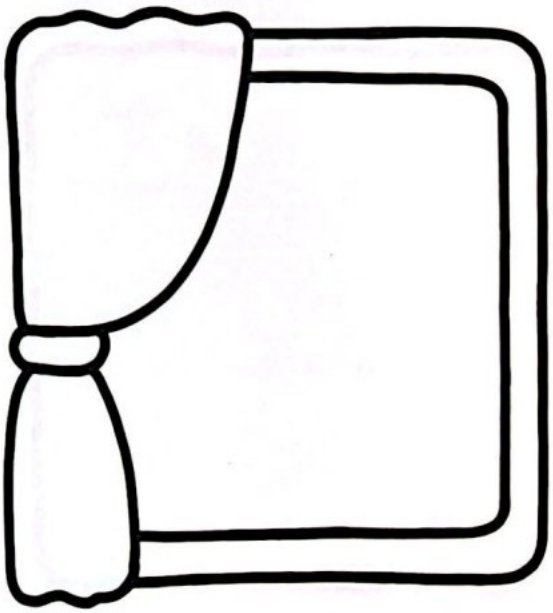
Start

1 Color the base from light in the center to darker at the edges, leaving an empty circle in the middle.

2 Fill the circle with two shades of gray to create the moon.

3 Draw pine trees with a darker color.

4 Add highlights and use a black pen to draw anything you like.



CITY NIGHT

start

1 Blend a gradient for the base.

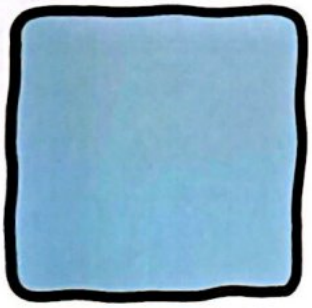
2 Draw building silhouettes with a black pen.

3 Add yellow lights with an acrylic pen.

4 Highlight with a white gel pen.

STORMY DAY

start

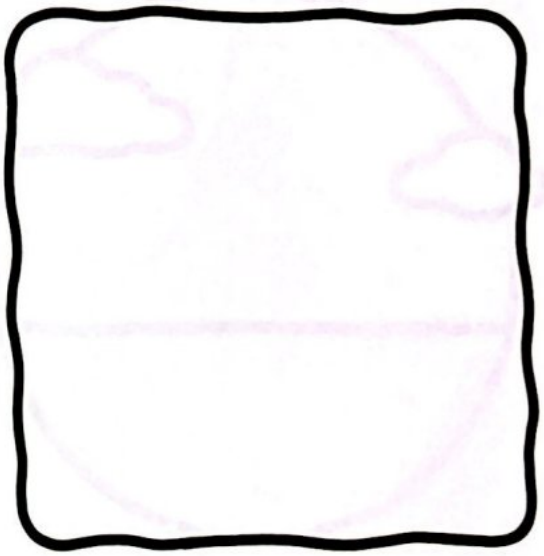


1 Color the base, then let it dry.

2 Draw the horizon, then blend it with gray.

3 Add clouds using a darker color.

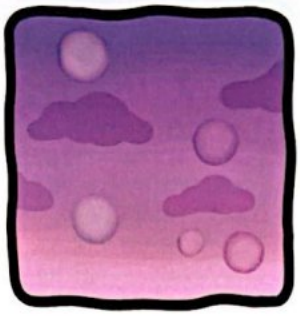
4 Draw lightning with a white gel pen.



SUNSET

Start

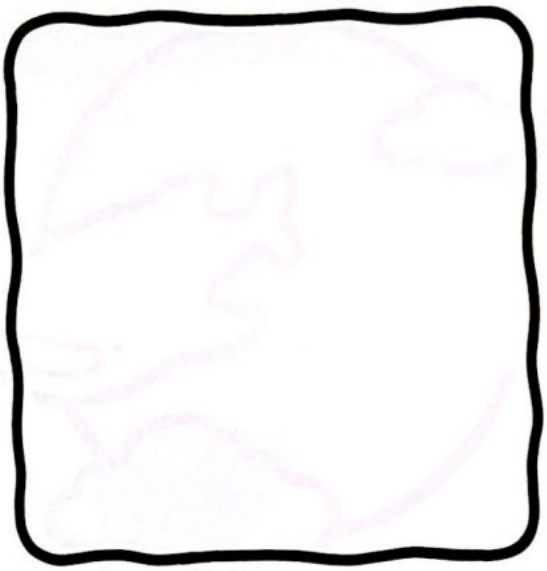
1 Blend gradient colors and add cloud shades.



2 Create bubble shapes with a blender marker.

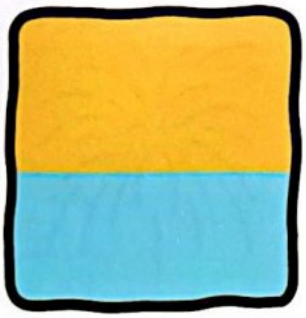
3 Draw a chain-link fence with a black pen.

4 Add highlights with a white gel pen.



SUNNY DAY

Start

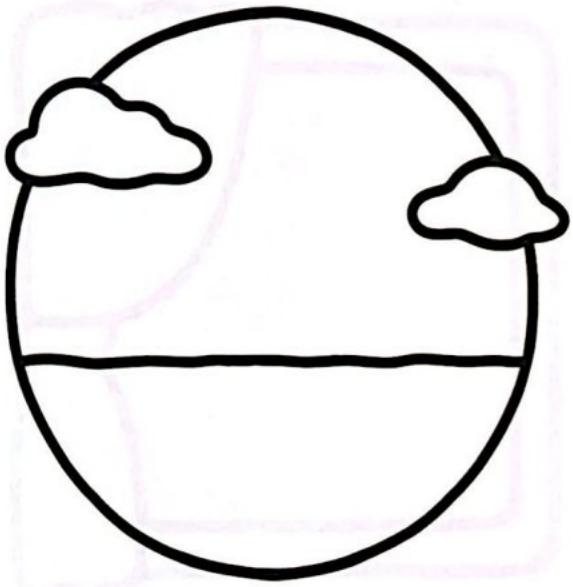


1 Color the base with two separate zones.

2 Blend gradient colors in each zone to create depth.

3 Draw clouds in the sky.

4 Use a white gel pen to draw the sun and add sunset reflection with an acrylic pen.



CLOUDY DAY

start

1 Create a gradient effect.

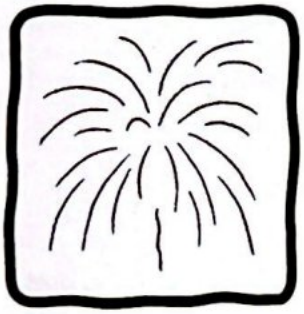
2 Draw cloud zones with a light acrylic pen.

3 Shade with darker acrylic pen tones.

4 Highlight with a white gel pen.

FIREWORK

start

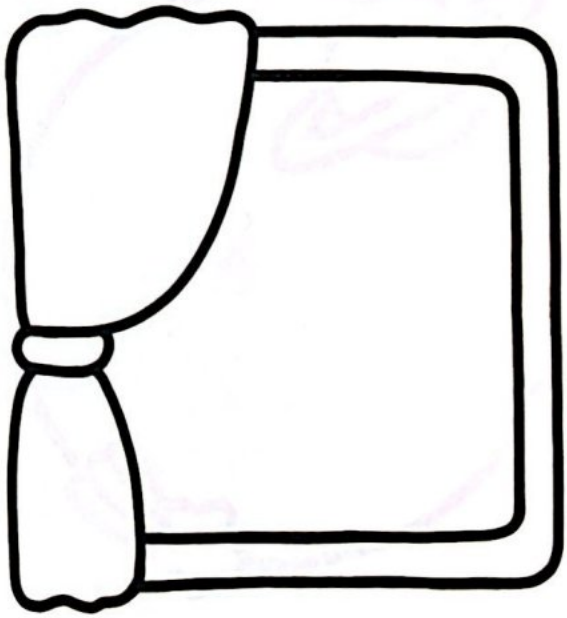


1 Draw radiating lines for the fireworks with a pencil.

2 Create a gradient base.

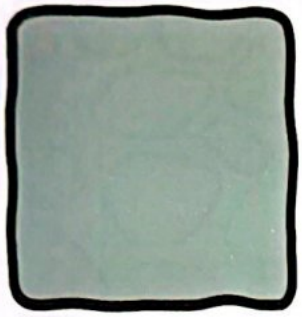
3 Cover the lines with colorful acrylic pens and use a cotton swab to smear the edges.

4 Add highlights to the lines with a white gel pen.



RAINY WINDOW

start

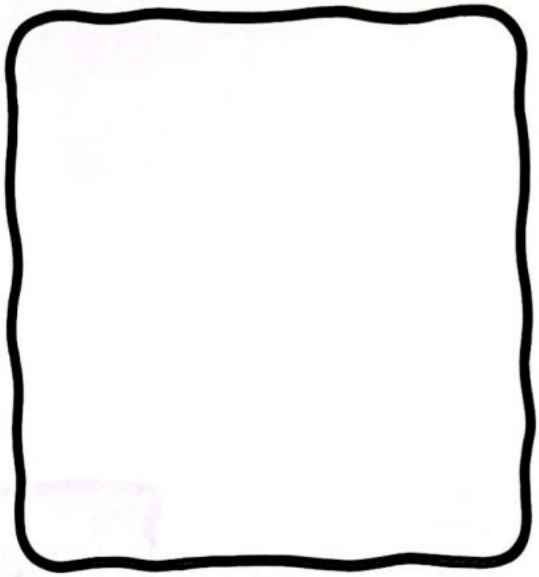


1 Color the base, then let it dry.

2 Blend shades of grey for a gradient effect.

3 Use a black marker to draw uneven raindrops—double lines, small circles, or droplets.

4 Use a white gel pen to highlight each raindrop for a reflective look.



GALAXY

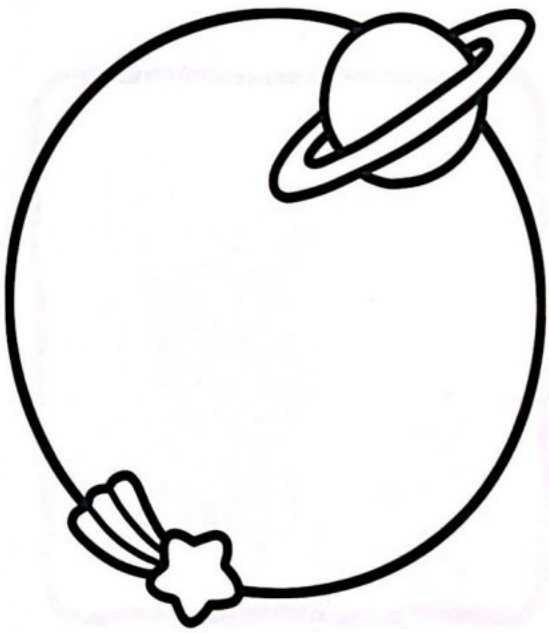
start

1 Color the base with a dark-to-light gradient.

2 Draw solid black zones with a black pen or a darker color.

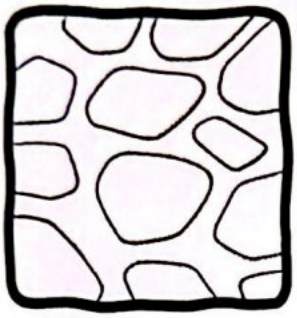
3 Use an acrylic pen to draw aliens or small planets.

4 Highlight with a white gel pen.



STONE PATH

Start



1 Draw irregular shapes with a pencil.

2 Fill the base with vibrant gravel shades.

3 Shade, add dots with a darker color, then highlight with a white gel pen.

4 Add grass details using acrylic pens.

MUDDY

Start

1 Color the base, then let it dry.

2 Draw liquid shapes and cat footprints with an acrylic pen.

3 Add more liquid shapes in a darker shade.

4 Highlight with a white gel pen.

VOLCANO

start

1 Blend orange and yellow for the lava base, then let it dry.

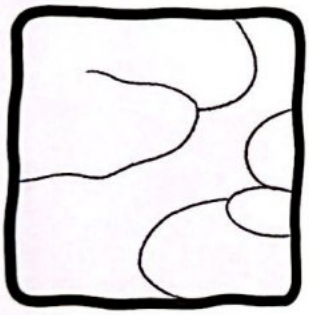
2 Draw rocks using a black marker.

3 Highlight the rocks and lava surface with acrylic pens.

4 Draw erupting lava streaks with acrylic pens.

SNOWY

start



1 Sketch the snow formations with a pencil.

2 Blend gradient colors from dark edges to light center.

3 Add gradient details and footprints on the path.

4 Use a darker color to define the footprints and grass.

BUSHES

start

1. Color the base, then let it dry.

2. Add tiny strokes with a darker color, denser at the bottom.

3. Layer more strokes with an darker shade.

4. Highlight with a white gel pen and add small flowers.

SHRUB

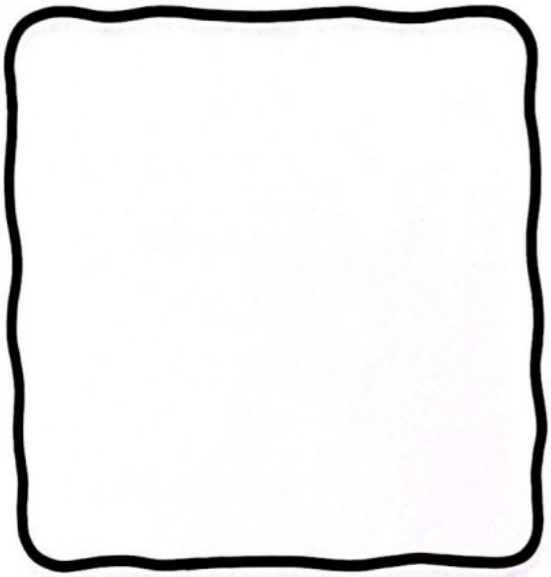
start

1. Blend green and yellow-green for the base, then let it dry.

2. Use a mid-tone green acrylic pen to add small leaf clusters.

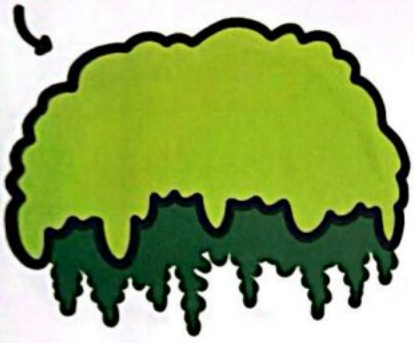
3. Use the darkest and lightest acrylic pens to make the shrub fuller.

4. Highlight with a white gel pen and add small flowers.



WILLOW

Start



1 Color the base, then let it dry.

2 Use a blender marker to draw upside-down hearts as willow leaves.

3 Repeat with darker and lighter acrylic pens to layer more leaves.

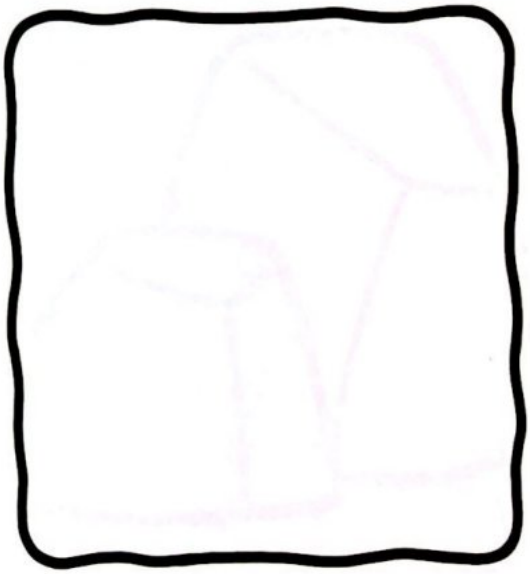
4 Add white flowers with a white gel pen.

FLOWER BUSHES

Start

1 Color the base, then let it dry.

2 Use darker shades to draw stems.

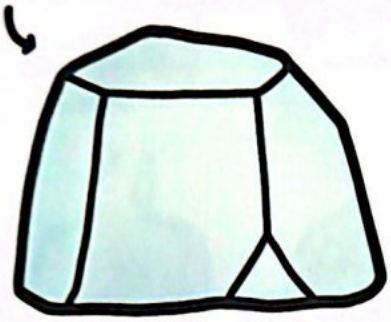


3 Dot randomly with acrylic pens to create flowers.

4 Highlight with a white gel pen.

ICY

start

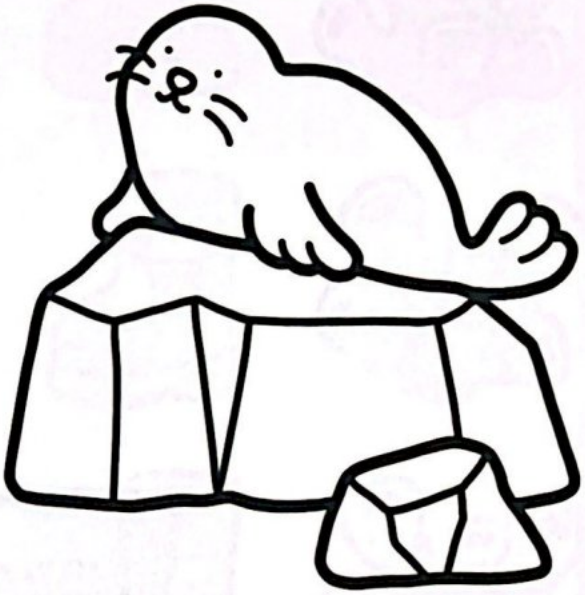


1 Color the base, then let it dry.

2 Add a darker shade.

3 Apply a second layer of shading.

4 Highlight with a white gel pen.



LAVA ROCK

start

1 Blend orange and yellow for the lava base, then let it dry.

2 Add rocks with a black marker.

3 Shade between the rocks with a darker tone than the base.

4 Highlight the grooves with light yellow and white gel pens.
